To Make
Home
Pretty and
Attractive

Is the wish of every lady. Perhaps we
can help you a little by improving some un-
sightly arch, a nice piece over a bay window, a
screen for a stairway, a cosy corner, a hand-
some stationary or folding screen. The ex-
pense will not be much and would add greatly
to the appearance of the rooms. We make
these in Moorish fret work, Japanese fret work,
Scroll or Grille work, all combinations of the
different styles and makes, finished in any
kind of wood desired. For further particulars

The One Cure of Disease

As the cause of all disease is fer-
mentation, produced by microbes,
common sense dictates that the reme-
dy to cure must be antiseptic. It
must have the power to stop fermen-
tation in order to kill the microbes
in the human body and at the same
time be perfectly harmless to the
system. Such a remedy will cure
all disease.

The only remedy yet discovered
which proves to be antiseptic and
harmless is "Radam's Microbe Kill-
er." This remedy received the
verdict that it cures in several courts
of law.

It withstood the most critical ex-
amination in the District Court of
Travis County, Texas, in the Su-
preme Court of New York City, and
before the Tribunal Correctionnel of
Paris, France. In all these courts
it was proved that "Radam's Microbe
Killer" cures all diseases without
injury to the patient.

Sick persons who look for infor-
mation concerning the cause and
cure of the disease should read our
circular from beginning to end.

It contains many things of which
the reader has never dreamed of.

Call at 120 King street west and
sample it free of charge.
