

A BREAKFAST IN CEYLON

would not bring you a more delicious cup of tea than you may have at your own table by using

"SALADA"

It is the world's choicest tea, at its best—the finest hill-grown Ceylon—in sealed lead packets.

WON CASE, LOST IT AGAIN

Lawyers in Witness Box in Case of Barber.

Two lawyers throwing off their oaths and testifying in the witness box, one lawyer winning action and losing it again, and a statement by the judge that the Crown Attorney might be instructed to take forged and perjury proceedings. The above were a few of the unique happenings in the course of an action tried by Judge Winchester in the County Court at Brantford on Monday.

The action was an echo to a suit disposed of in the County Court at the last sittings on a repudiated note, the costs amounting to \$75, and giving Altman a note for \$275 for 75 days.

Altman signed a release of all claims he might have against Wilder. Altman's claim was that Wilder was to get Sam Rosenberg to endorse the note as security, but the release contained no such condition. Rosenberg denied having endorsed the first note or having promised to go security for the second.

Counsel for Joseph Wilder arrived just in time to hear his honor dismiss the case against Rosenberg and give judgment against Joseph and Percy Wilder.

"I want to hear the whole story," said his honor, time and again, when questions were objected to, "because somebody is going to the criminal court over it."
