MOTOR TRUCKS AND

Munition Men Defeated the City League Leaders on Saturday

Cordage Came Back Into the League and Beat Verity's Six to Five

The Motor Trucks took Pratt and Letchworth's into camp and administered a 20-14 defeat on Saturday afternoon, as a result of which the two teams are tied for the leadership of the City League. The Motor | Trucks have been coming well to the fore of late, and appear to have a strong aggregation of diamond athletes who should prove contenders in the pennant race. The rejuvenated Cordage team also put up a good game on Saturday, and snatched a hard-earned victory from Verity's, 6-5. The Cordage had threatened to withdraw from the league, after the action of the O.B.A.A. in debarring Oreutt and Lee from almateur status, and once went so far as definitely to announce their retirement, but soon thought better of the matter, and came back on Saturday with more than a share of their old time form. Hammering Harwood, in the box for Verity's, the Cordage men drove two runs across in the seound frame and four more in the third. Verity's scoring was more scattered, and although they threatened in the sixth, when they came within one of tying the score, nothing eventuated.

The second game was a loosely staged encounter, in which both sides hit freely, ran the bases at will and fielded poorly. Both sides scored in the first inning, and the last frame was the only one in which the Motor Trucks did not drive at least two runs across. The scores: Cordage Company-

Director Mosley and the Brantford Industrial Recreation League have a fine line-up of athletic events for Wednesday night's twilight meet, the second of the season. The attendance at the first meet of the season greatly encouraged the members of the league, and this Wednesday's meet will be even a greater success if the expectations of the leaguers are fulfilled. The events are: Men's halfmile cycle race, men's 100 yards runming race. 1st prize pair gold cuff
links; 2, 10 lb. sugar. Girls' team,
relay race (10 girls each team, 55
yards each); 2 mile handicap cycle
race (silver and bronze medals,
Whitaker Baking Co,); 2 mile motercycle race, not special machines, (silver and bronze medals, Whitaker Baking Co.). There will be no ad-

nission nor entry fees charged. Ed. Morrison at Tomstown, faces a serious charge, based on a story told by his 14-year-old daughter. Union employes of Calgary are threatening a general strike if the

policemen's request that their union be recognized is not granted. Hon. E. E. Knowles, recently appointed provincial secretary, was elected to the Saskatchewan Legislature for Moore Jaw by a majority of 446 over W. G. Baker, Labor.
