

## TWO JUDGES ARE SITTING

In Territorial Courts Hearing Appeals and Suits.

### The Court House Has Been Greatly Changed During the Past Brief Vacation.

This morning business was resumed in the territorial court after a week's holiday. The interior arrangement of the building has been changed to such an extent that, aside from the appearance of the original courtroom on the ground floor, it is hardly recognizable.

The clerk's office has been greatly enlarged, the partition which separated it from the lobby having been moved out towards the door, and the sheriff's office has been given the room formerly used by the stenographers, who have been moved upstairs into the library room, which opens off the courtroom and adjoins the judge's chamber.

The courtroom on the upper floor is almost an exact counterpart of the one below, with the exception of the ceiling, which is lower, and the windows which are smaller.

Justice Dugas is sitting in the old courtroom where some appeal cases from the lower court are being heard and Justice Craig is hearing civil cases in the new room above. There is a very long list of civil cases awaiting trial, 14 of them being on the peremptory list, and 24 on the waiting list, so that it will take both courts some time to clear the calendar, even working unitedly. There will be no jury cases heard earlier than the 15th, and there are only a few appeal cases from the lower court on the list, and these, it is believed will be quickly disposed of.

### A Red Hot Meeting.

The fistic and wrestling carnival tonight at Anderson's gymnasium promises to be one of unusual interest as the program below will evidence. The main events, the two goes between the Colorado Kid vs. Billy Carroll, and Al Smith vs. Young Callahan, will be well worth seeing as all seem eager for the fray and are out for a reputation.

The gymnasium has been entirely remodelled and is now of sufficient size to seat comfortably over 700 people. Seats are being sold rapidly and it is expected by the management that "standing room only" will be hung on the entrance early in the evening. The following events will be pulled off tonight: Colorado Kid vs. Billy Carroll, of Chicago, a ten-round go for light-weight championship of the Yukon; Al Smith vs. Young Callahan, eight round go for feather-weight championship of the Yukon; Callahan was the 120-pound champion of the Seattle Athletic Club; Smith of the Manhattan Club, San Francisco; Billy Burns vs. Sexton, four rounds; Billy Hadden vs. Wm. Forrest, four rounds; Paddy Ryan vs. C. Sinclair, four rounds; Swanson the Great vs. Silas Archer, the colored stranger, wrestling; Sink Swanson vs. Jack Merritt; Gene Riley vs. Billy Long; Krelling vs. Jack Devine; Ben Treneman, exhibition club swinging; Chas. Carroll, exhibition bag punching; Prof. Anderson and Prof. Kimball in broadsword fencing. Admission \$2, reserved seats \$3.

### Bryanism.

Editor Daily Nugget:

- B—Bankruptcy.
- R—Reputation.
- Y—Yellow Americanism.
- A—Aguinaldoism.
- N—National dishonor.
- I—Inanition.
- S—Silverism.
- M—Maladministration.

B-ankruptcy of the nation if Bryan is placed at the head of her affairs with his Populistic ideas.

R-epudiation of all the sacred principles for which our fathers fought and which has been the life blood of the nation since that spirit first asserted itself at the time of the Boston tea party.

Y-ellow Americanism because it would mean to the nation all that it should not be, and which conditions and circumstances do not warrant.

A-guinaldoism because the election of Bryan would be an insult to every man who fought to suppress Aguinaldo and his followers.

N-ational dishonor for the reason that elevation of Bryan with his radical views to the presidency would ruin the standing of the nation with other powers.

I-nanition for the reason that change of the present solid policy of the administration would be a senseless and inexcusable national act.

S-ilverism because Bryan would attempt to foist upon the nation a measure that was condemned by the people four years ago, since which time it has been a dead issue.

M-aladministration for the lone reason that any man with the following Bryan would have from which he would be forced to select his cabinet, the anarchists he would be compelled to recognize by appointment to office, would handicap him, even if he were many times over the brainy man his boosters would make us believe him to be.

### Is It a Moral Wave.

There has been a perceptible falling off in the criminal business of the police court within the past two weeks, previous to which time there would be as many cases of drunk and disorderly up each morning as are now up in an entire week. No shortage of whisky

has been reported, but it is known that a large stock of watered goods was lately received, but it is asserted that the water in it is so prominent as to do away with all possibility of its being retailed over a bar; so to this cause the fact that drunkenness in Dawson is diminishing can not be attributed. It may be possible that a great tidal wave of morality is sweeping, like a partial eclipse of the moon, over the Yukon vale and that from now henceforth hooch will be given a chance to age before it is consumed. Again, the present may be what weather prophets call a "dry moon" and as there is no denying but that the moon is a powerful agency in the matter of effect, and as all men are more or less lunatics, not crazy, but subject to the influence of the moon, it may be that to Luna is attributable the period of good behavior which is now on tap in Dawson, and as the results of which the police court columns of the papers are being filled with boiler plate suggestions on pruned culture and when to wear lambs, many royal saws at the barracks are accumulating rust from disuse and a shortage of fuel is imminent at the same place. If the next moon does not bring a change, then may it be truthfully said: "It is either a tidal wave of reform or it is watered whisky."

### First to Cross.

At 2 o'clock this morning E. M. Bruce, F. J. Rogers and Guston Honore, all three of whom live at West Dawson, went home after spending the evening on this side of the river. They made the journey across in a canoe.

At 12:30 this afternoon the same trio returned to Dawson, but they left the canoe on the other side. Shortly after they reached home this morning the ice in the river jammed and stopped running. At noon the men started across, each carrying a ten-foot pole and picking their way over the jam. It required about half an hour to complete the dangerous trip, and for the risk they ran the three men have the honor of being the first to cross the river on the ice this winter. In addition they have a case of wine which they won from Billy Thomas of the West Side house.

### POLICE COURT NEWS.

There were no cases on for hearing before Magistrate McDonell in police court this morning.

Jim Nichols, of quartz fame, was arrested yesterday at the instigation of a man named Mitchell who had missed some goods from his cabin in this city and who suspected Nichols of being the thief. Mitchell had a search warrant issued and it is alleged that the missing goods were found in Nichols' cabin. The latter is in jail and will be given a hearing this afternoon.

### A Success From the Start.

Milne the outfitter on First avenue, is doing an ever increasing business, owing not alone to the modern ideas which dominate the operations of his establishment, but the excellent quality of the goods carried in stock by him. All merchandise found at his store was imported this season and the miners have evidently found it out, for he is doing a large business in that direction.

### COMING AND GOING.

The Yukon council meets this evening in the courthouse.

Dr. Faulkner, of Gold Hill, is registered at the Donovan.

David C. Young, of Lindow creek, is stopping at the Flannery.

Mr. and Mrs. H. Hale are among the recent arrivals from the Forks registered at the Fairview.

C. A. Harrison, of Eldorado, is down from his claim to buy supplies and see what is going on in the city.

W. A. Ingram, of Dominion, and F. P. Richardson, of Bonanza, are among those in from the creeks today.

C. J. Reilly has returned to town after being out on the creeks during the summer and has taken up his quarters at the Yukon hotel for the winter.

R. S. Ames, of 10 Dominion creek, who has been paying a visit to the outside returned a few days since and will shortly return to Dominion to begin the winter work.

Al Bone is down from Last Chance, and having seen the river go out of business for the winter will return within a few days to Last Chance, which is said to be quite lively.

James McKay, of Hunker creek, who has been suffering from an attack of typhoid at the Good Samaritan hospital for some time past, is nearly recovered and will be shaking hands with his friends again in a few days.

Some signs have been painted to be placed on the new bluff road leading to the new bridge site near the ferry which are to indicate to drivers where they are to pass each other. There are three places wide enough for teams to pass.

F. M. Thompson was seen loading his sled at the N. A. T. & T. Co.'s store this morning. He will return to 43 Bonanza as soon as the christening of the mule is finished, although he is a trifle particular in the matter of a god-father.

It is told of a prominent freighter in the city, a small man of a strawberry complexion, but who is "Jimmy on the spot" in all matters of business, lately purchased a very fine diamond ring and lady's fur coat, also a marriage license. And now his friends are striving to find out what came of all this lavisht outlay, as no bride has yet been seen peeping from between the lace curtains of his cabin.
