KLONDIKE NUGGET.

WORK TO BE DONE.

The taxpayers and voters of Dawson are confronted by a situation the importance of which some of them do not appear to appreciate.

If you do not want your money expended by adventurers and agitators, throw the weight of your influence in favor of an appointed commission.

The agitators are in politics for revenue only. The only safety for the taxpayer lies with an appointed commission.

The taxpayers will win hands down if they stand shoulder to shoulder for the next four days.

The Kid Committee is looking for plunder. The taxpayers are looking for protection.

Fitcham Sent to Jail. Ballston, N. Y., Dec. 17.—Charles E. Fitcham, teller of the First National Bank of Ballston, whose defalcation caused the bank to close, was surrendered to a United States marshal today to be placed in jail at Albany.

Washington, Dec. 17.—Quentin Roosevelt, the youngest son of the president, is the life and joy of the White House.

President's Youngest Boy Is a Warm Number.

Washington, Dec. 17.—Quentin Roosevelt, the youngest son of the president, is the life and joy of the White House.

They have nothing to lose and everything to gain. If successful, they must provide places for the boosters and heelers who are supporting their cause and for the maintenance of these warhorses in proper style.

The control of the affairs of Dawson by the gang of agitators who are striving so earnestly toward that end would prove a calamity from which the town would be years in recovering.

They have nothing to lose and everything to gain. If successful, they must provide places for the boosters and heelers who are supporting their cause and for the maintenance of these warhorses in proper style.

A SELF-MADE MAN'S LETTER

To His Son Who Wanted a Post-Graduate Course

Dear Pierpont: No, I can't say that I think anything of your post-graduate idea.

There's a chance for everything you have learned, from Latin to poetry, in the packing business, though we don't use much poetry except in our street car ads.

The main thing is to get a start along right lines, and that is what I sent you to college for.

We started in a mighty different world and we were all ignorant to aether. The Lord let us in on the ground floor, gave us corner lots, and then started in to improve the adjacent property.

Thirty years ago you could take an old muzzle-loader, and knock over plenty of ducks in the city limits, and Chicago was't Cook county then.

Jack, the black and tan terrier, who has grown old in the service of the Roosevelt children, is now Quentin's special charge.

MANITOBA FARM HAND

Shot Dead by an Unknown Would-Be Robber.

Cartwright, Man., Nov. 26.—About dark last night W. Bourne, living three miles south of here, and his man, J. Asling, were sitting down to supper when a man called and asked to be directed to Mr. Wright's place just across the boundary.

He broke out in a new place every day, and every time he broke out it cost the house money.

That was where I caught the connection between a college education and business. I've always made it a rule to buy brains, and I've learned now that the better trained they are the faster they find reasons for getting their salaries raised.

I simply mention this in passing. I have every confidence in your ultimate good sense, and I guess you'll see the point without my elaborating with a meat ax my reasons for thinking that you've got college enough for the present.

Your affectionate father, JOHN GRAYHAM.
