

**STUNTED** Does your hair split at the end? Can you pull out a handful of hair by running your fingers through it? Does it seem dry and lifeless? Give your hair a chance. Feed it. The roots are not dead; they are weak because they are starved—that's all.

**Ayer's Hair Vigor**

If you don't want your hair to die use Ayer's Hair Vigor once a day. It makes the hair grow, stops falling, and cures dandruff. It always restores color to gray or faded hair; it never fails.

March 29, 1909. Casova, S. Dak. "Ayer's Hair Vigor completely cured me from dandruff, with which I was greatly afflicted, and started it to grow again nicely."

April 13, 1909. New York, N.Y. "If you do not obtain all the benefits expected from the use of the Hair Vigor, ask the Doctor about it."

Dr. J. C. Ayer, Lowell, Mass.

ST. JOHN LETTER.

The Polymorphians will entertain a delegation from Mars at their carnival this week.

Detective Ring is in trouble, charged with shielding criminals. Other city officials are implicated. A sensation is looked for.

People cannot be too careful how they handle poisons. John Blizard of this city swallowed some carbolic acid the other day and narrowly escaped death.

A young woman is under arrest for shop-lifting in one of the city's largest dry goods stores.

A wild cat attacked a man at Howe's Lake, and was killed with a pitch fork. It was five feet long.

Three laborers were somewhat seriously injured at Sand Point wharves last Friday.

Zero weather and the coal dealers are happy, for consumers pay two prices for fuel and look pleasant about it.

Last week there were thirteen deaths, twenty three births and four marriages in the city.

The employees of the James Pender Co., have formed themselves into a mutual benefit association.

Business continues exceptionally active for the season, and prices of staple groceries are generally firm and unchanged. Onions have advanced to \$3.25 per barrel, hand picked beans to \$1.90 and yellow eye beans to \$2.50 per bushel. Mr. McFee, representing George S. deForest & Sons is in Annapolis Valley and Mr. Rennie is in Halifax.

Edward Edwards.

St. John, Jan. 21.

**Acute and Chronic Rheumatism** are equally influenced by the almost magical pain-subduing power of Nerviline—equal in medical value to five times the quantity of any other Rheumatic remedy. Penetrates at once through the tissues, reaches the source of the disease and drives it out. Nerviline is undoubtedly the king of pain, for it is unequalled by any remedy in the world. Your money back if you do not find it so. Druggists sell it.

What is the longest word in the English language? Smiles: because there is a mile between the first and last letter.

Hantsport

Mrs. John Toye Jr. returned to Boston on Saturday via Yarmouth. Stratheona's Horse were to leave Cape Town on Monday, the 21st inst. for Canada.

Miss Sadie Shaw of Wolfville, has been in town a few days, the guest of her aunt Mrs. H. Porter.

Mr. J. Dickson, who has been housed some months with slow fever and lagrippe, is now improving.

The brothers, Capt. Robert and Capt. Albert Lawrence came home from New York last Wednesday.

Mr. James W. Robertson, after a visit of several weeks with his family, has returned to his work in East Boston.

Mr. Elmore Faulkner of Mt. Denison is home from Bucksport, Maine, where he has been working at shipwork since last June.

Mr. Alvin Fielden, who has been working in New York during the past year, is now home on a visit to his people, for a few weeks.

Mrs. Robt. Earle left on Saturday for Boston where she will spend some weeks with her sister, Mrs. Caldwell.

J. A. Taylor, Esq., who was thrown from a sleigh and quite badly hurt, some weeks ago, has so far recovered as to be able to walk out about town.

The legal rate of interest in Canada has been reduced from six to five per cent. in contracts where six is the bargain it must be so mentioned.

Miss Louise Longley and Miss Cora Whitman returned to Edgell on Wednesday last to resume their studies, after the vacation.

It is said no man yet knoweth where the capital of the Commonwealth of Australia will be. The first parliament are soon to be elected, and they will decide it.

The Scher. Gladstone Robertson, from Digby via St. John N. B., for St. Kitts, with lumber put into Barbados recently leaking and with loss of part of deckload.

A goose supper was given Tuesday evening by Mrs. L. Michener, to her immediate relatives, in honor of her brother "Bob" who has lately returned from sea. They had a jolly time.

Returns received from late shipments of apples to England are very satisfactory. We hear of some Hantsport men who got \$2.38 per bushel clear, while one shipper from Central Falmouth cleared \$2.90.

Preocious—Little Florence Miller, six years old, is book keeping for her father Fremont Miller, a real estate dealer. She went through the studies of the first, second and third rooms of the public schools in a week. How is that? Anyway a Boston paper says so.

We learn that the executive of the Valley Telephone Co. subject to the approval of the stockholders have decided to begin next spring to build a copper wire trunk line throughout the county, beginning at Hantsport and working eastward. This was decided upon two years ago, but the rise in price of copper prevented its being carried out.—Outlook.

It is said Mr. H. S. Parker will build a skating rink, on the site of the old one, during the coming summer. The young folk this winter have been making out door rinks, first they used the Shaw brick yard, now they are making one on the flat west of the school hall, on Mr. Comstock's land.

The St. John papers record the death in that city of Mrs. Anna Ross, mother of Elijah Ross, the once famous oarsman. Mrs. Ross was born near Hantsport (on the Kings Co. side of the line) 91 years ago. Her maiden name was Chandler, a sister of the late John Chandler. After becoming a widow she spent some years here with relatives, returning to St. John some twenty years ago.

The members of Acadia College class of 04 took a drive to Kentville on Wednesday evening accompanied by Mrs. T. L. Harvey. They had lunch at the Aberdeen and had a merry time on their drive. Those who comprise the company were Misses N. Burgess, A. Burgess, A. Dixon, A. Murray, M. Haley R. Archibald, M. Hunt and McMullan. Messrs Avery deWitt, Roy E. Pates, J. H. Cunningham, J. A. Burgess, J. V. Mc Donald, E. Sinclair and R. H. Slipp.

Senator Morgan recently introduced in the United States Senate a resolving declaration that the Clayton-Brewer Treaty has no effect upon the right of the United States to construct the Nicaragua Canal.

Training

Is indispensable to athletic success. In training, much stress is laid upon diet; careful attention to the quantity and quality of the food eaten, with regularity of meals.

That is the secret of strength for every man. No man can be stronger than his stomach. The careless and irregular eating of business men, causes disease of the stomach and its allied organs of digestion and nutrition. There can be no sound health until these diseases are cured.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition, and restores health by the assimilation of the nutrition extracted from food.

"I was taken with the grippe, which resulted in heart and stomach trouble," writes Mr. T. R. Caudill, of Montclair, Allegheny Co., N. C. "I was unable to do anything a good part of the time. I wrote to Dr. Pierce about my condition, having full confidence in his medicine. He advised me to take his Golden Medical Discovery, which I did. Before I had finished the second bottle I began to feel better. I have used nearly six bottles. I am highly recommended it to all persons as a good and safe medicine."

Dr. Pierce's Pellets cure constipation.

SCOTCH VILLAGE

Too late last week.

Although quite a fall of snow here, your correspondent is not snowed under.

At times there is such a dearth of news, that it seems impossible to get any happenings that are interesting.

Quite a few teams have gone to the logging woods, and this snow fall must be to their liking.

Messrs. James and Isiah Anthony are at home on a visit.

James and Young Campbell had a rather unpleasant experience on Thursday last, starting to hunt rabbits, in the afternoon, they wandered too far. Night coming on they attempted to find their way back. At 10 p. m. they gave up the struggle, and prepared to pass the night as best they could. Starting a fire and making a couch of boughs, Campbell lay down and slept the sleep of the just and exhausted, while Anthony on whom the responsibility rested kept the fire burning brightly. Their friends located them next morning, and all this time with nothing to eat.

Our post master, Mr. J. C. Northup has been quite ill and is now slowly mending.

Clifford son of Mr. Harry Cochran is under the Dr's. hands with inflammation of the lungs.

The Whooping Cough is going the rounds, some of the victims being very bad.

Mrs. Lewis Weir of Halifax paid a brief visit to friends in the Village and Mosherville recently.

CHRONIC BRONCHITIS

Mr. Wm. Davidson, St. Andrews, Que., states—"Dr. Chase's Syrup of Linseed and Turpentine has cured me of chronic bronchitis. I have, without success, tried many remedies for the past six years. Last winter when I had a severe attack and was unable to work, I procured a bottle of Dr. Chase's Syrup of Linseed and Turpentine, and am happy to state that the third bottle made me a well man."

Mr. W. R. Alger, insurance agent Halifax, N.S., says—"I used Dr. Chase's Syrup of Linseed and Turpentine for a severe attack of bronchitis. I permit me to testify to its splendid curative properties. I got better from the time of taking the first dose. Having a family of young children, my doctors' bills have annually come to a considerable sum. I believe a bottle of Dr. Chase's Syrup occasionally will aid me in reducing them very materially."

25 cents a bottle, all dealers.

Dr. Chase's Syrup of Linseed and Turpentine.

BORN At Hantsport, Jan. 5th to Mr. and Mrs. Abijah Pearson, a daughter. Minard's Liniment Cures Colds, etc.

N. S. F. G. ASSOCIATION

COLLEGE HALL, WOLFVILLE

PROGRAMME.

Monday, Jan. 28, 7.30 p. m. Opening Prayer Rev. J. E. Donkin. President's Annual Address. J. W. Bigelow. Report N. S. School of Horticulture, W. C. Archibald, Chairman Com. Address, "Culture and Agriculture," Prof. J. B. Calkin, Truro. Address, "How many Students College of Horticulture and Agriculture?" R. S. Eaton, Kentville. Discussion.

SUMMERVILLE

Mr. Editor:— Dear Sir:—It has been several weeks since I spoke to the public through the columns of your valuable paper. My silence was not for lack of items, but I have been watching the effect of my last few common place remarks. It reminds me of my boyhood, when dropping a pebble in a lake would watch the ripples expand one after another and disappear. Just so with my remarks.

Sleighing has been excellent for some time past, and woodmen seem to take advantage of it.

Mr. and Mrs. N. Zwicker have returned from a visit to friends at Chester.

Miss Nellie G. Sanford made a flying visit at her home Lower Burlington.

Mr. Embert Zwick has taken his departure for Bear River, where he expects to spend the winter.

A number from this place attended the District Division in Burlington on the 15th.

Miss Flo Lake spent a few days in Burlington with friends.

"Observer," has asked me to explain my insinuations. I thought the time has passed when a man could be hanged for his thoughts, "But old times have become new." Now Observer don't think too seriously over the matter, for perhaps you weren't the criminal, but late there has been very few "Jewel Gatherers" at the Banks. May I ask why? There is certainly just as many Jewels as ever, and likely more valuable.

Miss Alice Sanford has returned from her visit in Burlington.

Mr. Tramp, which is the Turnpike road phase have it lighted up.

Have all received their Photos? How do you like the new style of mounts?

As Observer has to explain, "Tracks" I will thank you for space given me and sign myself,

Scribbler.

Minard's Liniment Cures Distemper

A RACKING COUGH

Afflicted the Sufferer for Twenty Years

Often Sat Up in Bed Coughing the Whole Night Long—Doctors Ultimately Told Him the Trouble was developing into Consumption—How Rest was Obtained.

From the Times, Picton, Ont.

Nothing rakes the body more than a severe cough. If it is allowed to run for any length of time, it is very hard to get rid of, and often leads to that most dreaded of all diseases—consumption. Such a sufferer was Mr. Thomas Jinks of Prince Edward county. Mr. Jinks relates the following facts in a Picton Times reporter:—"I am now sixty-seven years of age and for the last twenty years I have had a bad cough. I was troubled with catarrh, which started in my head, but later spread to my stomach, leaving me dyspeptic. For two years I was troubled with pains in the stomach and was not able to raise my arms above my head without experiencing severe pains about my short ribs and stomach. Then my kidneys began to trouble me and at times I could not get out of a chair without help. My limbs and feet were often so swollen that I was unable to lace my boots, but as soon as the swelling went down I was but a mere shadow. My wrists and arms were so swollen that I could span them with ease. My cough raked my whole body. I have sat up in bed and coughed the whole night long. I tried several doctors but without success. They finally told me I was in the first stages of consumption. In the spring of 1899, a little pamphlet was thrown in the hall floor telling about Dr. Williams' Pink Pills, and I decided to try them. Before finishing the second box, I noted a change, and after using them for a couple of months, I was completely cured and the cough had left me. At present my health is as good as I can wish for, and I can truly say through all my suffering, I never got any permanent relief until I took Dr. Williams' Pink Pills."

Mr. Jinks added that it was not in his own case alone that Dr. Williams' Pink Pills had proved of advantage in his family. His daughter, Miss Mildred, was in very poor health, and scarcely able to go around. In fact, her friends feared her trouble was developing into dropsy. She used five boxes of the pills and is now enjoying the very best of health.

Dr. Williams' Pink Pills cure such apparently hopeless cases as Mr. Jinks' because they make new, rich, red blood, and they reach the root of the trouble. These pills are the only medicine offered the public that can show a record of such marvellous cures after doctors had failed. If you are at all unwell, this medicine will restore you to health, but be sure you get the genuine with the full name "Dr. Williams' Pink Pills for Pale People," on the wrapper around each box.

THE QUEEN IS DEAD

By special despatch Tuesday afternoon it was announced that the Queen was dead. There were no particulars. Flags everywhere were placed at half mast and a great nation mourns a Queen who was truly beloved.

Every Cold Means Danger

It does not do to neglect even a slight cold. When you have a cold your lungs are more susceptible to the germs of Consumption. Take

Shiloh's Consumption Cure

It will cure your cough or cold at once. It will heal and strengthen your lungs. It is a safeguard for you always. Take it at the first indication of a cough or cold.

REV. MR. PATTON, of Toronto, writes: "I used two bottles of Shiloh's, and take pleasure in recommending it. There is nothing like it for cough, throat and lung trouble."

Shiloh's Consumption Cure is sold by all druggists in Canada and United States at 25c, 50c, \$1.00 a bottle. In Great Britain at 1s. 2d., 2s. 3d., and 4s. 6d. A printed guarantee goes with every bottle. If you are not satisfied go to your druggist and get your money back.

Write for illustrated book on Consumption sent to you free. S. C. Wells & Co., Toronto.
