

Leading, as Usual.

Our Goods for the Fall of 1892 are already in, and we are prepared to show our customers a larger range and better values than ever before.

Our Dress Goods and Mantle Cloths are simply marvels of beauty and cheapness, and in Dress Linings and Trimmings we are 15 per cent. below market values, an advantage obtained by buying in very large quantities for spot cash.

We have given special attention, and with gratifying success, to the procuring of Men's, Ladies' and Children's underwear. Don't fail to see them; it means to you money saved.

In Boots & Shoes we are keeping our usual large stock well assorted, new special-lines, or Stamps, added.

We are now keeping a large range of Hand-painted Window Shades (40 different designs) complete, with spring rollers; also Lace Curtains, Curtain Poles, Fancy Pole Ends and Fixtures, and all greatly reduced in price.

We make our own special department a specialty, and can give a better Stock, better Pants, better Hats, better Shirts, Collars, or Ties, than can be got elsewhere for the same money. And why? Because having a large trade in these lines we give special attention to the buying, dealing only with manufacturers, and getting closest cash prices.

Come and see us. Give us an opportunity to serve you, and you will realize the above statements as facts.

Good Value **POLITE ATTENTION** **Fair Dealing**

The family who spend their money right will succeed. The family who spend their money wrong can not. When you want Groceries and Provisions go to the store and get our prices and see our goods. We claim to give you more value for your dollar than you can get elsewhere. The question will arise, how can this be? It only requires an explanation and you will admit that we can do all we claim. We have always had a large trade in Athens, but at the present we are closely connected with another store in Lyndhurst. This enables us to buy goods in almost car lots; in fact, for the last six months we have had car lots every month, besides being every day's train has goods for us. This we can prove by the freight receipts. We say, and conscientiously, too, that there is no other store in Athens handling this amount of goods. Why is it?

We started business to sell goods, not to give them away. We cannot live without a little profit, but we cut that profit down to the lowest point. We prefer 5 per cent. profit on ten sales before 40 per cent. profit on one. When you want any and everything in Groceries and Provisions, go to Thompson's. Please note the following prices:

Best granulated sugar 20 lbs. for \$1.00
Bright yellow sugar 25 lbs. for 1 00
Best Valencia Raisins, 5 lbs. for 25

We have purchased this week a whole line of Tea, well worth 35c, which will be sold for 25c per pound. Don't fail to come and see for yourself.

Faithfully Yours,
Joseph Thompson.

Two young men, Fred King and J. C. Lightall, working for Chas. Johnson, Elbe Mills, recently shelled one bushel of corn from 154 ears, in 1 minute and seven seconds, with a corn sheller. The ears were taken from a new variety of corn sown this year by Mr. Johnson for fodder, and is specially recommended as producing a large quantity of feed for the following year.

Cheap coal and cheap coal for Canadians are among the very probable results of the Democratic victory over the river. The independent papers of Ontario are strongly advocating the abolition of the duty on American oil, and so confident were a company of American capitalists that the Democrats would gain the day, and reciprocity in coal result, that prior to the election they succeeded in bonding the output of the Nova Scotia mines.

While neighboring towns and villages are complaining of the dullness of the times, and hoping for snow to dispel the gloom that seems to hang over their places of business, Athens seems to be doing a fair share of the trade of the surrounding district. At one time on Saturday afternoon, nearly every hitching post along Main street was occupied, while the hotel yards and sheds were all full of teams. Inside the places of business all hands were kept busy showing and doing up goods of various kinds.

And so Brockville has decided not to have a poultry fair this year? What a terrible coming down it must be for that venturesome scribe of one of the town papers who, only two short seasons ago, wrote, "From an eminence we counted over 300 teams at one time on the market square, loaded with poultry." To think that such a calamity should befall the good old town of Brockville in so short a time is sad to contemplate. But then we told at the time that half they wrote about the success of the great big poultry fair was—well—we leave the word unsaid and unwritten.
