Miscellaneous.

For Delicate, Sickly Children

Scott's Emulsion is unequalled. See what Dr. C. A. Black, of Amherst, N. S., says: "I have been acquainted with cott's Emulsion of Cod Liver Oil, with hypophosphites, for years, and consider it one of the finest preparations now bemakes it the great favorite for children, and I do highly recommend it for all wasting diseases of children and adults. Put up in 50c. and \$1 size.

A French physician mentions a curious case or left-handedness. One child in a certain family was left-handed, and a second appeared at the age of one year also to be left-handed. It was then learned that the mother always carried the child on her left arm. She was advised to carry the child on her right. The infant, having its right arm free, Shades, Clobes, Wicks, etc began to grasp objects with it, and soon became right-handed.

> Castoria is recommended by physicians for children teething. It is a husbands. purely vegetable preparation, its in gredients are published around each bottle. It is pleasant to the taste and absolutely harmless. It relieves cor stipation, regulates the bowels, quiet pain, cures diarrhœa and wind colic allays feverishness, destroys worms and prevents convulsions, soothes the child and gives it refreshing and natural sleep. Castoria is the children's panacea—the mothers' friend. 35 doses,

A boy defined dust as " mud with the brush warm off with"; and salt as "something which makes potatoes taste oad when you forget to put it on.

THAT HACKING COUGH can be so quickly cured by Shiloh's Cure. We guarantee it. Seld by E. Lee Street.

'That farm scene you seem to be ally considered a fine painting. Allow me to ask you if you are familiar with works of art?" "Not very familiar," replied the agriculturist, who was looking through the studio with his wife, but I know something about the works

A quiet man, after a straight ten minutes' talk from a loquacious individ-ual, replied to his demand to know why he did not converse, thus: "Some people talk without thinking, others think without talking."—Martha's Vineyard

CATARRH CURED, health and sweet

ONE FOR THE PREACHER.—It is related that a Scotch minister chanced to meet two of his parishioners in the office of a lawyer whom he regarded as too sharp. The lawyer jocularly and not very graclously put the question—Doctor, these are members of your flock; may I ask do you look upon them as black or white sheep? 'I don't know,' answered the divine dryly, 'whether they are black or white sheep, but I know if they are here, long they are pretty sure to be well
