NAVIES OF THE WORLD.

FA --A return brought down in the imperial orimons a few days ago gives the naval Coast defence vessels strengths of Great Britain and the leading maritime powers up to May 17 of the Torpedo boats eent year. The total number of war Torpedo boats building vessels for each nation includes those ouilding and about to be built, and covers Torpedo boat destroyers, building even the four new battleships to be laid down by Russia this summer. The return shows that Eugland has now 52 battleships ready for sea, while France Battleships building has 27 and Russia but 12. Of the British battleships, however, 16 are armored wholly or in part with muzzle load-Cruiser, armored, building ing guns, while no foreign fleet contains ships armed with so obsolete a weapon. Great Britain's total fleet is put at 472 Cruisers protected, building vessels of all classes, against 397 for France, 288 for Russia, 200 for Germany, 111 for the United States and 106 for Japan- The vessels are thus tabulated by the London Daily Mail;
