JU-JITSU!

Self-Defence!

(Edited by W. Bruce Sutherland, Specialist in Ju-Jitsu.)
Ju-Jitsu is the general name for a system of physical training which was practised in Japan over two thousand years ago. There are certain points of the body where pressure or a slight blow is sufficient to paralyze a nerve centre or even cause death. A knowledge of such facts and how the different holds can be applied are shown in this book. It describes and illustrates over 250 locks, holds, throws, counters and grips, which can be readily learned and easily practiced. 120 pages with about 100 illustrations.
