Your Boys and Girls.

One mother I know has taught her
little toddlers to pick up their toys
after using, just by making the task
interesting. She says being a busy
housekeeper with three healthy ba-
bies to look after, has made it neces-
sary that they do some of the work
themselves. The great problem she
faced was to get the scattered toys
picked up and put away in their pro-
per places. So she secured a good
sized soap box which covered with
denim and to which, on the corners,
she fastened four castors. At night
this is called the "freight train" and it
is a very simple matter to get the
children to push it about the room and
collect the scattered "freight."

No Indigestion Gas Or Stomach Misery In Five Minutes.

"Pape's Diapiesin" for sour, acid
stomach, heartburn,
dyspepsia.

Time it! In five minutes all stom-
ach distress will go. No indigestion,
heartburn, sourness or belching of
gas, acid, or eruptions of undiges-
ted food, no distension, bloating, foul
breath or headache.

Pape's Diapiesin is noted for its
speed in regulating upset stomachs.
It is the surest, quickest and most
certain indigestion remedy in the
whole world, and besides it is harm-
less. Millions of men and women
now eat their favorite foods without
fear—they know Pape's Diapiesin
will save them from any stomach mis-
ery.

Please for your sake, get a large
fifty-cent case of Pape's Diapiesin
from any drug store and put your
stomach right. Don't keep on being
miserable—life is too short—you are
not here long, so make your stay
agreeable. Eat what you like and
digest it; enjoy it, without dread of
rebellion in the stomach.

Pape's Diapiesin belongs in your
home anyway. Should one of the fam-
ily eat something which don't agree
with them, or in case of an attack of
indigestion, dyspepsia, gastritis or
stomach derangement at daytime or
during the night, it is handy to give
the quickest, surest relief known.

POWDER AND ROUGE.

There are way and ways of deceiv-
ing the public but skill must be ex-
erted when one tries to fool others
about ones complexion—rosy lips or
perfect arched brows. I do not dis-
approve of a discreet touch of color
being added to the too pale cheeks or
the colorless lips, but it must be done
with skill and discretion.

A good light should be placed over-
head or at the side of the dressing
table, for only in this way is it possi-
ble to observe closely the effect of
ones powder and rouge. Again some
powders and rouge do not blend har-
moniously.

Some women have a natural color
at night, others are pale and here ju-
dicious use of the rabbit's foot will
do no harm. Shade according to the
contour of the face and touch the
lips lightly when they are pale. The
ears, also, come in for their attention,
just the merest touch being sufficient.
Whenever rouge is applied, it is far
better to apply too little than too
much for fragrant artifices disgust
many men and advertise a woman's
vanity to the extreme. Rouge is ap-
plied before powdering the face for
this tends to blend it to a more nat-
ural tint.

Every woman must determine the
tint of her powder, one for the flesh
and another for the face. Sometimes
the skin on the face has a rosy hue
than on the chest and arms.

Lambs wool pads are preferred for
the application of powder by some
women, others like medicated cotton.
Personally, I prefer the latter, as it
is immediately discarded after its use
and there is no possibility of harbor-
ing germs.

Mamma! Don't You
See Your Child Is
Sick, Constipated

Look at tongue! Move poisons from
liver and bowels at
once.

Mother! Your child isn't naturally
cross and peevish. See if tongue is
coated; this is a sure sign its little
stomach, liver and bowels need a
cleansing at once.

When listless, pale, feverish, full of
cold, breath bad, throat sore, doesn't
eat, sleep or act naturally, has stom-
ach-ache, diarrhoea, remember, a gen-
tle liver and bowels cleansing should
always be the first treatment given.

Nothing equals "California Syrup of
Figs" for children's ills; give a tea-
spoonful, and in a few hours all the
foul waste, sour bile and fermenting
food which is clogged in the bowels
passes out of the system, and you
have a well and playful child again.

All children love this harmless, de-
licious "Fruit Laxative," and it never
fails to effect a good "inside" clean-
ing. Directions for babies, children of
all ages and grown-ups are plainly
on the bottle.

Keep it handy in your home. A
little given to-day saves a sick child
to-morrow, but get the genuine. Ask
your druggist for a bottle of
"California Syrup of Figs," then look
and see that it is made by the Cal-
ifornia Fig Syrup Co."
