### UPHOLSTERING.

To the public in general, a few  
secrets about your furniture.  
1. If your couch or chair is going to  
wrack, it really has to be upholstered  
before you can cover it.  
2. All repairs have not to be done  
with 2 or 4 inch nails.  
3. Now is the time to have it done  
as we have a new staff and will guar-  
antee good workmanship and quick  
delivery.  
4. What is worth doing is worth  
doing well.  
Drop a card to 15 Balsam Street and  
we will do our best to make 1920 link  
up to 1914 with good work and reason-

### STEWART'S Home Made Bread,

THE BREAD MY DADDY LIKES.

Daddy is evidently not one of those back number  
lords of creation who believes that woman's place is  
in the home—and only there. His taste in a wife is  
an up-to-date woman who will prove herself a real  
companion. He knows that if she is a slave to her  
kitchen she can't enjoy the poise or have the interest  
in world affairs that a little extra leisure would make  
possible; and so he is pleased to eat MRS. STEWART'S  
HOME MADE BREAD—the loaf with the home made  
flavor.  
The smiling, well-nourished kiddie doesn't look as  
though suffering because mother is progressive enough  
to buy good bread made by a bread specialist, instead  
of wearing out her life in the kitchen.
