### SOLVED AT LAST!

There has been a great deal of dissatisfaction and complaints about flavourings since the Prohibition Act has come in force, but there is no longer any need for comment. The Flavouring Problem is Solved at Last. Christy's Flavourings and Spices in tubes can do the trick. We have been establishing this line in this city since January 8th, 1923, and have done business on 120 streets in this city. Ladies are very high in their praise re the Christy Line, claiming it to be the purest, strongest, most satisfactory and cheapest in the end. Hundreds of orders have been solicited through ladies recommending it to their friends. There is no doubt about it, Christy's Flavourings are absolutely the best. That is what the ladies say, and what the ladies say is right every time.

I am taking the liberty to inform the grocers of this city that we are now open to do business with them, and Mr. S. Kendrick will be calling on you in the near future. On receipt of the grocers' orders, a special ad. will follow to their advantage.
