Quantity Price
Fair and Unfair--

Any grocer who sells BABBITS soap loyally
and faithfully is entitled to just as good treat-
ment and just as fair a field for profit as any
other grocer. Favoritism is what kills the
independent retailer.

We have only one concession for quantity—
that which the buyer actually earns in the
freight saving. We don't give it to him; he
earns it.

We agree with the Retail Grocers that differ-
entials so great that they upset fair competi-
tion should be condemned. The wonderful
popularity of BABBITS soap is built on fair
sales policies and real value to the consumer.
