

BASE BALL ITEMS.

BASE BALL.—A base ball match takes place on Friday afternoon between the Excelsiors of Woodstock and the Maple Leaf Club of this town, on the grounds of the latter.

We learn by telegraph that the Boston and Athletic Base Ball Clubs have arrived in Liverpool in good health and spirits.

CHAMPIONSHIP RECORD.

The following is the championship record of games played, won and lost by the eight clubs in the arena. It will be seen that the champion Boston still hold the lead, with the Athletics second, and the Mutuals third. The Chicago White Stockings have pulled up greatly in the last two weeks, and now occupy the fourth position.

A Detroit father keeps his boy from playing base ball at night, by varnishing a chair and sitting him down. It's a novel plan, but awful tough on the trowsers.

There is a good boy in Lisbon, who, when he found his aged mother's Bible was of too fine print for her failing eyesight, sold the book and bought a base ball bat and four sticks of chewing candy.

LEPROSY.—This loathsome disease, so long considered incurable, has found a master in Fowle's Pile and Humor Cure. Sister Reed, Lady Superior of Hotel Dieu, Montreal, writes:—"All those Lepers who have used your remedy have experienced a decided improvement, and two patients affected with Leprosy have been so far cured as to be let out of the Hospital." See special notice.

Special Notices.

IT IS NOT WHAT YOU EAT BUT what you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished; degeneration of the organs and tissues follows, and if there be necessary predisposition to scrofula or consumption it will surely be developed and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Wheeler's Compound Elixir of Pines and Calisaya is Nature's own remedy for derangements of the digestive organs, purely physiological, harmless, and positively certain to restore nervous and muscular force.
