The Contests Were Very Good-Two Unfortunate Incidents

good, exceptionally good in fact. The the black mare in for third money. racing was keen, the day just right Time 2:27. and the attendance was good.

It was marred by two unfortunate incidents. One of the incidents is perhaps not so unfortunate, as it will go in three heats, each heat to count a pulled up, with the exception of Neille 1, S. I. Phillips, silver cup; Racine, whom the jockey could not hold. When this mare was around by the quarter it was found the race was as it will go in three heats, each heat to count a pulled up, with the exception of Neille 1, S. I. Phillips, silver cup; Racine, whom the jockey could not hold. When this mare was around by the quarter it was found the race was as it will go in three heats, each heat to count a pulled up, with the exception of Neille 1, S. I. Phillips, silver cup; and the pulled up, with the exception of Neille 2, S. I. Phillips, silver medal; 3. Hug hold. When this mare was around by the quarter it was found the race was the quarter it was found the race was a silver medal; 3. Hug hold. When this mare was around by the quarter it was found the race with the exception of Neille 1, S. I. Phillips, silver medal; 3. Hug hold. When this mare was around by the quarter it was found the race was a silver medal; 3. Hug hold. When this mare was around by the quarter it was found the race was a silver medal; 3. Hug hold. When this mare was around by the quarter it was found to the properties when the properties was a silver medal; 3. Hug hold. When this mare was around by the quarter it was found to the properties when the properties was a silver medal was for the seniors, was a silver medal was for the seniors. a long way towards promoting straight.

The first heat, which resulted in the ago and they strung out as go and they strung out as each got least the owner and the driver of a harness horse will not be allowed to Boundary Boy and Moodle Bros. Don books. He stayed still watching the harness horse will not be allowed to Boundary Boy and Moodle Bros. Don books. He stayed still watching the medal.

The first heat, which resulted in the ago and they strung out as found the race was juniors, resulted as follows:

1. Macardel, gold medal; 2. Manuel, sliver medal: 2. Alexander, bronze medal. Time, 22.00 4-5. harness horse will not be allowed to race a horse owned by either of them, on the Caigary track, or on any race and had no show. Don M. made track on the continent governed by the soring event of the going in the first half, followed by the owner, and Powell, the driver, were suspended by the judges for pulling a horse called Longboat in the first two heats of the 2:17 pace. The judges gave them a year suspension, the minimum penalty, and it is only to be restricted that such characters as these should ever be allowed to race or have anything to do with racing events in the first two heats of the 2:17. In the first two heats of the 2:17 in the first two heats of the point of the same making a poor showing, and when they

making a poor showing, and when they The horses were placed in the same retained. Etta F. Gales and Smith came out for the third heat of this order in the next heat and the time Bowman made a good fight for the came out for the third heat of this race, the judges ordered Powell off and put up Bronell to handle the ribbons. Bronell quickly found that the hobbles on the horse were too losse and these were tightened. Longboat then went out and won the final heat with ease. While the judges were making up their minds as to the penalty that should be handed out Powell drove Watch Charm in the third heat of the second race.

for one year.

Handing out this penalty is a good thing for racing, as in past years there has been some rather raw breaks made in the racing game, here. This will clear the air considerably. Powell, the suspended driver, is a new arrival from the east.

The second incident was a very poor the place given to Trixie R.

Kootnle started to move up and in the first coast to coast and in thousands of houses this trusty liniment served the entire family, cured all their minor fills and kept the doctor's bill small. Today Nerviline still holds first rank it out. She passed them, making a grand stand finish in the time of 2:34½. Halmont finished second but was placed back for driving out and that doesn't use it.

From Port Hope,

nounced that Superba was withdrawn having gone lame, and four horses started. Longboat had the pole and started. Longoost had the pole and lace the barrier for the lead until after the half, when E. A. Five horses faced the barrier for the Wherever there is pain, Nerviline will of neuralgia, whatever the trouble is, De Gramment of take it internally.

Rockles' Beniah, who broke after the three-quarter mile flat race for 4-year-cure it. Refuse anything but Nerviline, Chamberlain's Limited to the lace anything but Nervilline, Chamberlain's Limited to the lace anything the lace anything but Nervilline, Chamberlain's Limited

and they measured them with a new driver up.

Finally they got off to a good start. Flossie Wilkes broke before the eighth was reached and was apparently out of it. At the half Longboat was leading, with Beulah second and Bertie K. third. On the stretch Longboat had it easily in hand, with Beulah a fair second. Bertie K. had a good lead over Flossie Wilkes coming into the stretch, but T. Ireland, who was driving the

The 2:23 Pace or 2:18 Trot

In connection with this suspension can be raced again for a year, no matter who buys him, nor can Storey or Powell race any horse for one year.

The second incident was a very poor start in the three-quarter mile selling race.

The second heat was a good start, and it looked like the was a good start, and it looked like the back early and for a win, but she broke early and The first race was the mile 2:17 pacs got too far back to reach up at the
