London Art in Toronto.

The Women's Art Association of Canada is now holding its second exhibition in Toronto. It opened on Wedneeday and will extend till Oct. 28. A large number of people viewed the exhibits on the opening day, among them being Lieutenant-Governor Kirkpatrick. The exhibitors number 28, and among them are Mrs. Macbeth, Mrs. Leonard, Miss C. Farncomb, Miss L. Graeme Ware and Miss Minhinnick, of this city. As it is a fall exhibition the sketches are chiefly of out-door study, and in this an oil sketch of a harvest field by Mrs. Macbeth is greatly admired. Mrs. Leonard also has similar sketches which attract considerable attention. There are, besides the London display, exhibits from England, California, Indiana, Paris, New York, Cleveland, Buffale, Cobourg and Simcoe, and the association is to be congratulated on the success which has been attained.

Discussing the Terminal Facilities.
The four Walkerville men who were in in town Wednesday in connection with the lease of the London and Port Stanley road to the Lake Erie and Detroit River Railroad have retured home.

"Has anything been done definitely with regard to the lease?" was asked of Mayor Essery yesterday morning.

"We are on the way to a settlement," he replied, and then he went on to tell of what had been done yesterday by the party. They had gone over the London and Port Stanley property, the London and Southeastern property and that which the G. T. R. have a 99 years lease of. The later lies immediately to the east of the Grand Trunk of the road at their station here.

The London and Port Stanley have a right of way through the leased property. What had been done discussed yesterday was shiely terminal facilities, and if the Grand Trunk objected to giving the Lake Erie and Detroit River people the use of the city station the lesses of the road would be obliged to use the London and Southeastern station in conjunction with the M. C. R.

Carrying Wespons.

Harry Grant, who was arrested by P. C.
Walter Smith on Oct. 1, was arraigned at
the Police Court yesterday Grant was
charged with carrying unlawful weapons.
There was found on his person at the time
of his arrest two large revolvers and a long
sheath knife. The latter was deposited in
his boot, while the revolvers were inclosed
in cases and fastened to a belt around his
waist. He had also in his possession a
bottle of chloroform, a combination cork
serew, pincers and glass cutter, over \$7 in
money and a railroad ticket.

On being examined Grant said that he

the train from Port Huron arrived in the city he got off and went to sleep in an empty house on York street. He had never been in jail before and the weapons were merely for the nurpose of hunting.

To Mr. McKillop the prisoner told a very contradictory story as to his whereabouts previous to coming here and refused to tell where his parents lived.

Mr. McPhillips for the defense said that as Grant was traveling from one State to another, having to pass through Canada, his case did not come under the statutes.

The magistrate found him guilty and fined him \$20 or 25 days for carrying the loaded weapons and \$5 or 15 days on the second charge—that of carrying the dirk. sound evapons and \$5 or 10 days on the second charge—that of carrying the dirk.
Wm. Burriss was charged with vagrancy and was remanded till Tuesday to permit of the attendance of a witness. A Brilliant Success.

The chamber concert last night in Victoria Hall was a brilliant success in all respects. The programme opened with a quartet by the Hayda String Quartet Club, which was executed in a manner almost faultless. The shading was well marked. This and the zerzetto which closed the This and the zerzetto which closed the concert were a treat to all present. A 'cello solo by M. H. Saunders was given in his usual artistic manner. Mr. Fred Soper sang three songs, probably better than he ever sang before, which is saying much in his favor. Miss Lorena Hartson is the possessor of a sweet and powerful soprano voice, and sang her numbers in a very expressive manner. The duets by her and Miss Edith Hartson, who has a good mezzosoprano voice, were much appreciated. pressive manner. The duets by her and Miss Edith Hartson, who has a good mezzo-seprano voice, were much appreciated. A piano trio (by Gade) was a beautifully-rondered number. Of course the chief interest of the evening centered in Miss Lotta Fetherston, who certainly is a violiniste of the first rank, and delighted the audience by her playing of the "Fantansie." It is a long and difficult solo, but was given with a power and breadth of tone that was a pleasure to the most critical. Her second numbers were also beautiful. The concert was under the management of Mr. J. W. Fetherson, and it is to be hoped that he will continue to put before the public such erjoyable illustrations of high art. Following is the programme:
