

40 MEMBERS OF CONGRESS SEND LETTERS OF INDORSEMENT TO THE INVENTOR OF THE GREAT CATARRH REMEDY, PERUNA.

Hon. A. T. Goodwyn.

Congressman Goodwyn, from Alabama.

Hon. A. T. Goodwyn, Congressman from Alabama, in a recent letter to Dr. Hartman, says: "I have now used one bottle of Pe-ru-na and am a well man today. I could feel the good effects of your medicine before I had used it a week, after suffering with catarrh for over a year."

Catarrh in its various forms is rapidly becoming a national curse. An undoubted remedy has been discovered by Dr. Hartman. This remedy has been thoroughly tested during the past forty years. Pe-ru-na cures catarrh in all phases and stages. There is no remedy that can be substituted.

Hon. W. N. Roach.

United States Senator Roach, from North Dakota.

Hon. W. N. Roach, United States Senator from North Dakota, in a letter written from Larimore, North Dakota, says:

"Persuaded by a friend, I have used Pe-ru-na as a tonic, and am glad to testify that it has greatly helped me in strength, vigor and appetite. I have been advised by friends that it is remarkably efficacious as a cure for the almost universal complaint of catarrh."

Senator Roach's wife recommends Peruna also. She says: "I can cheerfully recommend your excellent remedy, Pe-ru-na. Indeed, I know of no other remedy as good as yours. It is a grand tonic, and many of my friends have used it for catarrh with good results."

Hon. Romulus Z. Linney.

Congressman Linney, from North Carolina.

Congressman Romulus Z. Linney, from North Carolina, writes:

"My private secretary has been using Pe-ru-na for several weeks and I wish to testify as to its great value and merits in cases of catarrh. My secretary had as bad a case as I ever saw, and since he has taken one bottle he seems like a different man. Before he started on Pe-ru-na his system was very much run down, and at times he could not work at all, but ever since his first bottle he has been building up. I don't think any man who is under a nervous strain should be without it. I cannot express the good it has done him."

Congressman Ogden from Louisiana.

Hon. H. W. Ogden, Congressman, from Louisiana, in a letter written at Washington, D. C., says the following of Pe-ru-na, the national catarrh remedy.

"I can conscientiously recommend your Pe-ru-na as a fine tonic and all-round good medicine to those who are in need of a catarrh remedy. It has been commended to me, by people who have used it, as a remedy particularly effective in the cure of catarrh. For those who need a good catarrh medicine I know of nothing better."
