People should marry their opposites. That is probably why a poor young man is always anxious to marry an

heiress. So much that is supposed to look coquettish really looks untidy.

The mantle of charity is soon worn threadbare by a hypocrite.

Silence is a good poultice to apply to angry ears. Before asking a favor of a man a wise woman gives him a good dinner— with a little flattery on the side. When a fellow falls in love he doesn't always tumble into luck.

Jolly a man and he will forget it the

next day: criticise him and he'll re-member it as long as he lives.

COUPLING GAVE WAY

Unusual Incident as G. T. R. Fly r Was Entering the City.

An unusual accident, but one atinded by no unpleasant consequences, appened when the G. T. R. Flyer was ntering the city from the west last vening.

The coupling between the engine and aggage cars became unfastened, and the fact that the train was on a down grade caused the suddenly-released ngine to shoot ahead with great raloity. It was soon controlled by the ergineer, however, and was soon again ccupled to the coaches, which had been brought to a sudden stop, through the emergency brake going on. The incident happened near the overhead bridge just west of the city, Hardly ten minutes elapsed before the

train was on its way again, S ssssssssssss S

TALKED TO YOUNG MEN

Special Sermon at Memorial Church By Rev. Dyson Hague.

In a special sermon to young men on he subject of "Safety," last evening, Rev. Dyson Hague, rector of the Memorial Church, dwelt upon the value of obedience and respect for parents, and obedience and respect for parents, and of prayer. He went on to say that no external force could keep a young man Messrs. St. George, Williamson, external force could keep a young man in the right path if he had not the inner principle of safety. Unlike Ulysses, a man could not today stop his ears to the charm of seductive voices. The Y. M. C. A. and the church could not hold
