 TO SUBSCRIBERS.

LONDON, THURSDAY, SEPT. 14. THE CRAZY-QUILT PROGRAMME. If a map of Canada be spread out

and colored according to the local Opposition policies it will look like a crazy quilt. Earlier in the campaign the individual patches stood out clearer, though of late the colors have run,

the names inscribed in this section, the question. Hughes, Sproule, etc., have a curious interest about them. They stand for tion, except on sumptuary questions state of the matter. Mr. Beattle's orsion and non-intercourse, anti-this and adian and British political theory and that under the treaty of 1854-66 Cananti-that, but particularly anti-Cath- practice. It does not harmonize with

Toronto and Montreal, with perhaps a distribution of the faithful dot or dash at one or two other places. Here reign the millionaires, the admirers of old country old-fogeyism and deprecators of old country Liberalism, the lip-box core referred by the control of the faithful will hardly know whom to follow, those who say that by-gones have not relevance to the present issue, or Mr. Beattle, who insists that they have the corresponding period in 1999, may be shown in the following way:

As it is, a number of the faithful foreign competitors—Germany and the United States. In respect of imports the totals of each of the faithful foreign competitors—Germany and the United States. In respect of imports in the first half of this year, with the amount of increase over the totals for the faithful foreign competitors—Germany and the United States. In respect of imports the countries of the faithful foreign competitors—Germany and the United States. In respect of imports the totals of each of the faithful foreign competitors—Germany and the United States. In respect of imports the totals of each of the faithful foreign competitors—Germany and the United States. In respect of imports the totals for foreign competitors—Germany and the United States. In respect of imports the totals for foreign competitors—Germany and the United States. In respect of the faithful foreign competitors—Germany and the United States. In respect of the faithful foreign competitors—Germany and the United States. In respect of the faithful foreign competitors—Germany and the United States. In respect of the faithful foreign competitors—Germany and the United States. In respect of the faithful foreign competitions—The faithful foreign competitions—

mands a bigger and costlier navy, built and stationed on the Pacific Coast. Pink will do, as a complementary color, for Nova Scotia, whose Conservative voices do not call for a Pacific Columbia. The state of the whole people. Thus the only use that may lie in the referendum would be defeated.

Sit game, but if successful it would not give effect necessarily or probably to the wish of the majority of the whole people. Thus the only use form where once he reigned. Better, said the ancient poet, be a slave on the platter. [Woodstock Sentinel-Review.]

The the referendum would be defeated.

The the responsibility of the United Kingdom with 45 millions.

APPEAL TO THE BRITISH-BORN. [Woodstock Sentinel-Review.]

"An attempt is made to round up the British-born in this country against the reciprocity agreement.

the pacty Mr. Flavelle and Mr. Mr. Each proposal an absolute majority of the possible to secure for any single proposal an absolute majority of the possible to secure for any single proposal an absolute majority of the possible to secure for any single proposal an absolute majority of the possible to secure for any single proposal an absolute majority of the possible to secure for any single proposal an absolute majority of the possible to secure for any single proposal an absolute majority of the possible to secure for any single proposal an absolute majority of the possible to secure for any single proposal an absolute majority of the possible to secure for any single proposal an absolute majority of the possible to secure for any single proposal an absolute majority of the broken set and that is all there is to it."

Beattle, Borden and Bourassa.

Can anyone name half a dozen Lib-They can forcted the cather, come in hundy to see in fixely and not vote, saying.

"Leave it to experts." That is just the representative system of the fair for the sort of talk that we hear from the sort

It is in Quebec, however, that we have the Joseph's coat of shot and changing colors. The rouge of those seven ridings in the Montreal district whose Opposition candidates take their stand for reciprocity is overlaid to some extent with Nationalist to some extent with Nationalist and there a tribuses the leading Conservative spokes.

It is in Quebec, however, that we tionalists shout in give, can the first this election, and then mark your ballot accordingly.

The Maltese did not know that British ownership, Englishmen have always claimed (very right ishmen sadly whitened or rouged as the case may be. You cannot tell what to make of this Quebec patch-work, except that nowhere is there any love Conservative-Nationalist organization. an ultramontana contrast to the enti-Catholic Orange of Ontario.

Latest touch of all in this sad botch is the scarlet rouger than the rouge, ments and farmers' party programme This unique departure from the National Policy sets off well the old royal blueing of Major Beattie's 20 per cent increase of protectionism.

Could anything be more variegated than the Conservative circus of this campaign? Barnum & Bailey and all other merely three-ring shows are left

A REFERENDUM IMPOSSIBLE The volume of Conservative opposition to Canada's taking a share in imperial defence continues to grow To the Quebec candidates, Messrs Pickle and Davidson, are added nov two Ontario candidates. Messrs. Geo Cholera and Diarrhoea Reme ent, algoma, who pledge themselves to aid times were good times. His own mind to be compared upon and the babies to see Little Lulu. 94k take. For sale by all dealers.

WHY THE "OHIO FARMER" IS AGAINST RECIPROCITY

London Township Man Draws Out a Cleveland Journal-Say All the Benefit of Reciprocity Will Go to the Canadian Farmer.

"No, we do not think that the reciprocity pact is worthy of our support of the several months past you would probably not have felt called upon to ask whether or not we were influenced by various outside interests, which you say are trying to make 'catspaws' of the farmers. We assure you that the farmers of the United States opposed the ratification of the reciprocity pact just as heartly as the farmers of Canada are favoring it, and for trade reasons which are obvious without further mention.

you see a big Orange belt. Some of law and in securing a referendum on fused with the lean years which fol-

violence of language, for surly exclusuch as prohibition, is foreign to Can-gan informs its readers very distinctly sion and non-intercourse, anti-this and adian and British political theory and that under the treaty of 1854-66 Cananti-that, but particularly anti-Cath-practice. It does not harmonize with ada was well off, yea, too well off, alas!

The important fact is brought out in the tables published by the Board of Small daubs of purple distinguish tends to weaken the authority and into tune with the party organ. Toronto and Montreal, with perhaps a responsibility of parliament and cab. As it is, a number of the faithful

servative candidate for Selkirk, Man- men? or (4) of all kinds of contribu- 1854-1866 be preferred to the con-Itoba, has some interesting things to tion, of this or that combination of fused utterance of the robust living? say. Down here in Ontario there selected kinds of contribution? or Let us perhaps just this once put a seems to be a general agreement on (5) of doing nothing at all?" Nothing founder of Confederation before the all hands that the enormous profits of could possibly be settled by the ansvice-president of the City Gas Comthe middlemen will be cut down by the pact; Mr. Flavelle and Mr. Mc-Evoy agree that far. But Mr. Brad-proposal an absolute majority of the Beattle, Borden and Bourassa.

The referendum on the navy law now proposed by Mr. Borden and his lottwearts drived there.

A more vivid red distinguishes the honor of sending Mr. Herron to thaw. He is becoming really quite an enthusiast for reciprocity, and way at advance to the higher stage of full-fledged Liberalism if he is not careful.

The Canadian heads of American frust will be head of the canning trust will be head of the canning trust will be kept by here boings, in all probability, as she figures in the politics of the world-gliding possessions and the very fining on the abundant of a restaurable was arrested.

Mr. Beattie, like all of us, is for the more or no less laudable than the other positions that a dark the protection of blue in a probability, as she figures in the politics of the world-gliding possessions and the positions and the normal features in the politics of the world-gliding possessions of the world-gliding posses

cannot get away from the obsession. Not twenty years back, but fifty years back, does Mr. Beatback, generations generation no difference in this enlightened and progressive age, but it is of great importance that the treaty of times when Canada had scarcely a railway, as Mr. Beattle says, was a dismal failure. So he gives his reminiscences free So he gives his reminiscences free So he gives his reminiscence free States consume more food than they produce. Consequentity they want to buy it from the nearest producers, who are Canadians.

The Eastern States consume more food than they produce. Consequentity they want to buy it from the nearest producers, who are Canadians.

There is the case for reciprocity in a number of consequentity they want to buy it from the nearest producers. States consume more food than they produce. Consequentity they want to buy it from the nearest producers.

It is significant to find the number of Consequentity they want to buy it from the nearest producers.

So he gives his reminiscence free food than they produce. Consequentity they want to buy it from the nearest producers.

It is significant to find the number of Consequentity they want to buy it from the nearest producers. play. Forget the 96's, but remember those dreadful 60's, is his cry; and his

audiences for the life of them cannot emember.

"The leading reason, however, was the principle which permitted the drafting of an act of this kind withdrafting of an act of this kind without advising in any way with the
interests most seriously affected;
but most important of all which removed all protection of any kind
from the products of the farm while
retaining a degree of protection
upon the things that the farmer has
to buy. You certainly must agree
that if adopted, the pact will be to
the great benefit of Canadian farmers, else why the enthusiasm in
favor of it on that side of the line.
"No, we do not think that the
reciprocity pact is worthy of our
support in its present form, and we
wish to assure you that no outside
interests prompted or even suggested the publication of the editorial
concerning which you are so much

Right in the centre of the mosaic the Nationalists in repealing the navy gets the fat years of the treaty cor lowed its lapse, while his audiences The referendum apart from an elec- have no trouble in gathering the true

the climbers, the admirers of old country old-fogeyism and deprecators of old country Liberalism, the liployalists, loyal to nothing but oligarchy, pocket and privilege, always on the make, money-mad, kid-gloved people, who will not give the farmer his turn. Race and religion are, of course, nothing to these gentry. As for the navy, that is simply leverage for the navy, that is simply leverage for the navy, that is simply leverage for the only result would be the undoing of sadvocated, and Mr. Barnard, Conservative candidate for Victoria, demands a bigger and costiler navy. British Columbia navy but one stationed on the Atlantic coast.

Over the prairie country there is a fine rich splash of red. "Go at the raiff with an axe," chants the Winnipeg Telegram. Mr. Bradbury, Conservative candidate for Selkirk Man.

be defeated.

Supposing that the question referred shades. That is so much to Mr. Beattie's advantage. And yet, after all, modestly, without being dogmatic, may we not throw out the suggestion that the authority of the august dead or (2) a money contribution, or (3) of a contribution in ships and strengt is made to round up the British-born in this country agreement. Such an attempt is made to round up the British-born in this country agreement. The British-born at home in preserving the British-born at home against the reciprocity agreement. The British-born at home in preserving the British-born at home against the reciprocity agreement. The British-born at home in preserving the British-born at home against the reciprocity agreement. The British-born at home against the reciprocity agreement. The British-born at home against the reciprocity agreement to the people were couched in triple advantage. And yet, after all, to the British-born at home against the reciprocity agreement. The British-born at home against the preserving against the reciprocity agreement. The British-born at home against the Policy agreement. The British-born at home against the Policy agreement.

The London Free Press again attacks Mr. McEvoy because he opposed the Niagara power project. If that is an issue in this contest, Mr. Beattie more clearly defined than it is at pres

he vice-president of the City Gas ompany be expected to take off his

What a fearful hash these pro-recirocity, anti-reciprocity, pro-British, anti-British, Borden-Bourassa candidates make! But wait and see what another hash the electors will make of the hash next week.

Farms in Ontario command over 100 per cent. higher prices than in the United States.—Toronto Mail and Empire.

The Mail is presuming on the fact that there is no statute against lying.

The owner of La Presse, the great French-Canadian daily, was offered \$250,000 to oppose reciprocity. The barrel. Where did the money come from? Largely from the combines on both sides of the line.
