[Special to The Advertiser.]

[Special to The Advertiser.]
Tiverton, Nov. 22.—The greatest business in hay that has been done here in a long time is being carried on just now, and tons of it are being shipped to all points. The crop last season was a splendid one, and farmers all through this district are reaping the benefit. Hay finds a ready sale at \$10 per ton. As the snowfall is very light so far, there is only sleighing for cutters and light loads, and those bringing in hay use wagons.

The last few days has been a record-breaker for high winds.
