# **GALT GOES RIGHT** INTO THE FINALS

Friendy Graham's Figures Show Him As Amateur Iron Man.

Special to The Advertiser.

Galt. Sept. 17.—Friendy Graham, the little snap-arm twirler of the Terriers, conquerors of the St. Thomas Saints, is today being proclaimed the "Iron Man's of amateur ball because of his remarkable record of the past month. On June 30th he injured his hand in a game here and was forced to take a rest of over a month, pitching his next game in the playoff with Guelph for the Inter-County championship on August 15, and with Wilbur Kress, the other pitching ace of the Terriers on the casualty list, he has been forced to share the burden of mound duty. In exactly a month, he has pitched in eight of the nine games played by his team, 70 and 2-3 innings, won six games and lost two. Against St. Thomas alone last week he pitched 30 and 1-3 innings. The Terriers today received word that they had been given the bye in the 6. B. A. A. semi-finals and the rest is a welcome one, as they have had two hard series of three games each in the past two weeks. The team practiced today as usual and will work out daily until the finals begin which, it is hoped, will be played off before the end of the month. Special to The Advertiser.

## PLAY 2ND GAME MFRS. PLAY-OFF SATURDAY

D. S. Perrins Meet C. N. R. A. A. A. On Queen's Park Diamond.

The second game of the Manufacturers' League play-off will be played Saturday afternoon at Queen's Park, when D. S. Perrins, who lost the first game of the series on Sept. 6 by a 7 to 5 score, meet C. N. R. A. A. A. The same, according to the decision of the executive of the league before the playoff regies was begun, will be a seven-inning affair.

off reries was begun, will be a seveninning affair.

Interest in this battle for the supremacy of the industrial circuit has not
fallen, even though there has been a
two-weeks lapse between games, occasioned mainly because of the Western
Fair. Both teams are anxious, though
confident, and promise a pitched battle.

Perrins took a beating that fell like
a thunderboit from the clouds in the
first game, when, after leading 4 to 1
at the end of the third, the C. N. R.
A. A. A. stepped into McCallum's offerings in the fourth for six solid swipes,
a pair of them doubles, which, with
two nasty errors, unloaded the bases,
as they were filled, for six runs. The
uphill climb to get them back was too
much of a grade for the biscuitmakers,
and they were forced to admit defeat.
But from their camp now comes the
word that Saturday will tell another
vtory in the second game. They're confident that they will win and knot the
reries. The trainmen are just as confident that they will put the second
series champs out of the running in
two straight fixtures, so the scrap that
will decide just who has the better
argument, to be staged Saturday,
should draw out every ball fan in the
city.
