

Vapo-Cresolene
Established 1879
Whooping Cough, Croup, Bronchitis, Cough, Grip, Asthma, Diphtheria
Cresolene is a boon to Asthmatics
Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach?
It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.
Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.

Electrifying Tunnel.
The St. Clair tunnel is the only known submarine tunnel in the world to be equipped with electric power. That it was a most gigantic undertaking was realized by the Grand Trunk officials when they decided to make the change, but they saw the need of using something besides steam power, and electricity was all that was left.
The big power house on Military street below the overhead bridge, is nearly completed. A trestle work consisting of 25 bridges on the American side and 29 on the Canadian side was erected and finished several weeks ago. The total cost will exceed \$1,000,000.
The St. Clair tunnel at its deepest point is 100 feet below the level of St. Clair river. There is a two per cent. slope 5,000 feet in length on each side.—Port Huron Times, March 16th.

PORT HURON TO CELEBRATE
Will Be Fifty Years Old Next August.
Port Huron, Mich., March 26.—At a meeting of the common council and chamber of commerce committee last night plans were laid for the celebration of the fiftieth anniversary of the founding of the city. The dates of the celebration will be August 20, 21 and 22. An effort will be made to have many former Port Huron residents present. It is estimated that the blow-out will cost \$10,000. The festivities will be in the general nature of a home-coming event. The chamber of commerce to-night held a meeting to talk over plans for a "seventh district fair." It will be an agricultural show for the counties of St. Clair, Macomb, Lapeer, Sanilac and Huron.

"It's WELL TO KNOW A GOOD THING, said Mrs. Surface to Mrs. Knowell, when they met in the street. "Why, where have you been for a week back?" "Oh, just down to the store for a bottle of Dr. Thomas' Electric Oil," and Mrs. Surface, who hates puns, walked on. But she remembered, and when she contracted a weak back there was another customer for Electric Oil. m

PAIN
Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—coaxes blood pressure away from pain centers. Its effect is charming, pleasantly delightful. Gently, though safely, it surely equalizes the blood circulation.
If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.
Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.
We sell at 25 cents, and cheerfully recommend

To know how quickly, how surely Ferrozone cures, to see how it rebuilds and restores, you have only to read the following letters—read them carefully—see if the symptoms resemble yours.
Miss Evelyn M. Gaetz of Kingston, writes: "I have had an attack of blood disorder which broke out in horrid looking pimples. They were ugly red disfiguring blotches that ruined the appearance of my face. I tried all sorts of medicine, but the pimples didn't leave. I was recommended Ferrozone and gave it a trial. I noticed an improvement after the second box, and kept up the treatment, which cleared my skin. As the result of Ferrozone I have a clear healthy complexion and can recommend it to all other young women similarly affected."
Another young lady well known in society circles of Springfield, Mo., derived exceptional benefit from Ferrozone, says: "I felt it my duty to make known the value of Ferrozone. My trouble was poor weak blood, and as a consequence my lips were pallid, and my cheeks had no color. I wasn't at all strong, and required a bracing tonic. Ferrozone soon brought color to my cheeks, improved my appetite and made me stronger than I had been in years. I favor Ferrozone because it is so simple to take and works so quickly."
No blood remedy exists that has the power to cure, to heal, to restore like Ferrozone; try it, 50c per box at any drug store.

Catarrh Cannot Be Cured
with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free.

300 Farmers go West.
Over 300 Ontario farmers, most of them with wives and families, left Toronto Tuesday for the West on two trains, the first leaving the Union Station at 2:00 p. m. A special train was needed to carry the live stock, implements, and household effects.
These farmers are all from points west of Peterboro. They went West last summer and prospected, and fixed on their land, returning to Ontario for the winter. They have sold their farms here, and intend to settle permanently in the West.

A Smooth Swindler.
A large number of Woodstock people have been swindled by a rather smooth canvasser, who was about that city a short time ago. He called at many houses and had the winning ways and sly tongue of the professional canvasser. He represented himself as the agent of a Toronto firm, whose name he gave, which manufactured and sold patterns of ladies' garments. His offer was a generous one. For one dollar he gave a certain number of patterns and as an additional inducement promised that a well known ladies' magazine would be sent for one year. Fifty cents was to be paid at once, and the remainder on receipt of patterns and the first copy of the magazine. Needless to say his customers were numerous and half dollars clinked merrily in his capacious pockets. To those with whom he did business he gave a receipt with the name of the firm at the bottom and initialed by himself. He left the city and nothing has since been heard from him, an investigation has proved that it was a swindle.

Diet Not The Whole Thing.
Your table is loaded with food—digestible and wholesome, yet you never gain strength. What's the trouble? Look within, and what do you find? A lazy liver, stomach overloaded with work—useless work because the bowels and liver are not sufficiently active. Relief is quickly supplied by Dr. Hamilton's Pills. They make weak folks strong by removing the cause of the weakness. Digestion improves, constipation leaves, liver takes new life, kidneys wake up.—the whole system is enlivened by Dr. Hamilton's Pills. No better medicine for the sick or well, 25c at all dealers.

HOSPITALS CROWDED

MAJORITY OF PATIENTS WOMEN
Mrs. Pinkham's Advice Saves Many From this Sad and Costly Experience.

It is a sad but true fact that every year brings an increase in the number of operations performed upon women in our hospitals. More than three-fourths of the patients lying on those snow-white beds are women and girls who are awaiting or recovering from operations made necessary by neglect.
Every one of these patients had plenty of warning in that bearing down feeling, pain at the left or right of the abdomen, nervous exhaustion, pain in the small of the back, pelvic catarrh, dizziness, flatulency, displacements or irregularities. All of these symptoms are indications of an unhealthy condition of the female organs, and if not heeded the trouble may make headway until the penalty has to be paid by a dangerous operation, and a lifetime of impaired usefulness at best, while in many cases the results are fatal.
The following letter should bring hope to suffering women. Mrs. Robert Glenn, of 434 Marie St., Ottawa, Ont., writes:
Dear Mrs. Pinkham:
"Lydia E. Pinkham's Vegetable Compound is so well and widely known that it does not need my recommendation, but I am pleased to add it to the many which you have in its favor. I suffered untold agonies from serious female troubles for nearly three years, and the doctors told me that I must undergo an operation, but as I was unwilling to do this, I tried your Vegetable Compound and I am only too pleased that I did so, for it restored me to perfect health, saving me the pain of an operation and the immense bills attending the same. Pray accept my hearty thanks and best wishes."
Just as surely as Mrs. Glenn was cured of the troubles enumerated in her letter, just so surely will Lydia E. Pinkham's Vegetable Compound cure other women who suffer from female troubles, inflammation, kidney troubles, nervous excitability and nervous prostration.
Mrs. Pinkham invites all women who are ill to write her for free advice. She is a daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. Address, Lynn, Mass.

Everybody Agrees
that COD LIVER OIL and IRON are beyond question the greatest medicines known. Then why does not everybody take Cod Liver Oil and Iron? Simply because most people cannot take the Oil and few can digest the Iron in any ordinary form. These difficulties have been entirely removed by the introduction of FERROL, in which the Iron is scientifically combined with the Oil, rendering the Oil palatable and the Iron digestible. While

FERROL
is manufactured from the best quality of Cod Liver Oil (the whole of the Oil) and is richer in oil than any other emulsion, and while it contains just the right quantity of the best form of Iron and Phosphorus, it is so scientifically prepared that not one person in a thousand finds any trouble in taking it, and infants digest it without difficulty. Moreover the well-established value of the Oil and Iron is immensely enhanced by the process of manufacture, and as the formula is freely exposed it is not to be wondered at that physicians everywhere have fully endorsed FERROL and used it largely in their practice. FERROL is invaluable for the treatment of any kind of Lung or Bronchial troubles, while for wasting diseases it has no equal, and
