"The laborer is worthy of his hire," and no one who attempts to obtain a prize will go unrewarded, so long as he succeeds in obtaining subscriptions, no matter how small the number may be.

Those competing for cash prizes who do not obtain a sufficient number of new subscriptions to entitle them to the prize for which they are competing, or to any cash prize, may select any other premium to which the number of subscriptions sent in will entitle them; or, if they prefer it, we will pay them at the rate of 40 cents for each new yearly subscription they have sent to us. **You stand a good chance to win** one of the special cash prizes for the largest list, although you may not obtain a sufficient number of names to entitle you to the prize for which you compete, as the special prize will be awarded for the largest and second largest lists, though they may contain only a small proportion of the names required to secure one of the regular prizes.

A Special Number to Every Subscriber. Every man who subscribes for one year will receive one of our Magnificent Special Numbers, which is easily worth 50c.

Five New Trial Subscriptions Count as one new yearly subscription in any competition for either cash prizes or premiums.
