We may add that the Rosicrucian Society of Canada, was established by warrant from H. I. H. Prince Rhodocanakis, IX°, Supreme Magus for the Kingdom of Greece, bearing date September 19, 1876. From the above imperfect sketch, it will be seen that this ancient association is likely to be a factor for the advancement of Masonic literature in our midst, and if properly studied will do much to raise the tone of Craft Masonry, and ameliorate the differences among members of *les hauts grades*; especially since the Chiefs of all the Rites are members thereof.

One of Colborne's oldest and most respected townsmen, W. Bro. Leonard Tuttle, died recently without a moment's warning. He was in his seventy-sixty year, and has been almost incapacitated from the effects of rheumatism for many years past. He was the last of the charter members of Colborne Lodge, No. 91, G. R. C., of which he was an enthusiastic and consistent member, only a few weeks ago discharging the duties of the chair in the East. His remains were interred in Conklin's Burying Ground with Masonic honors—an honor he frequently expressed a desire for of late years. His genial face will long be remembered in the lodge room as that of its principal founder.
