

BEES BY THE POUND!

We have quite a large lot of Bees which we will dispose of by the pound, at very low rates, as follows:

6 lb Bees and 6 good mated Queens, \$10.00
10 " " 10 " " " 15.00

This forms a good opportunity to build up weak colonies or to repopulate spare combs.

Orders booked and filled in rotation.

1-LB. GLASS JARS. SCREW TOP.

We are just advised of shipment from the factory of the first instalment of 50 gross of the above. They are put up in barrels and hogsheds, (the latter for our own local use), and to save breaking bulk when shipping, we append below a table, of the qualities of which the shipment consists, together with the prices per barrel. In estimating the price, we have calculated the same as for full gross lots, an allowance of 20 cents being made for each barrel and packing (they cost us 35 cents).
