

# SOMETHING NEW.

~~~~~  
THE COSMOPOLITAN

# STAMP ALBUM ❖

It is placed before the Philatelic public as an entirely new  
can be used either for Postage or Revenue Stamps,  
The pages are ruled in perfect squares 36 to the square  
for its superiority. The idea is original with the publisher.  
Collectors have found ordinary albums with printed spaces  
such albums do not provide for shades, watermarks, perfora-  
and experience has shown that albums with blank pages are  
better. It has also been found very difficult to arrange stamps  
systematically in the ordinary blank album. The ruling solves  
the problem and even the inexperienced can arrange stamps evenly  
into beautiful designs without any trouble.

These albums are being copyrighted in Canada and the U. S.  
They are printed on one side only on 6 ply card-board 11x14 inches  
50 sheets in a book in fine leather binding and sell at \$5.00  
Individual cards will be supplied at 5 cts. each. Sample card sent for 5 cts.  
Buy an album till you have examined the Cosmopolitan.  
It is intended to replace all others in the estimation of advanced col-  
lectors of Oddities, Original Covers, Revenues, &c.
