To contribute as much as possible to the success of this Monthly Review, the various Communities of the Precious Blood will offer a large portion of their prayers and penitential exercises for all those who will send us the names of fresh subscribers, or become subscribers themselves.

Whoever sends us the amount of Five subscriptions, with name and address of each subscriber, will share in all the spiritual advantages offered by our Communities to ordinary Benefactors.

Our friends and patrons devoted to our Work, yet unable to give us any other assistance than that of their personal cooperation, are still considered as Benefactors, and, as such, participate to a certain degree in our spiritual benefits, provided they are faithful in paying *in advance* the amount of their subscriptions or, if prevented, send us the names of persons likely to subscribe.

This publication, having for its principal end the diffusion of the Devotion to the Most Precious Blood, all members of the Confraternity of that name who aid us in introducing this Magazine, may gain, for each effort, an Indulgence of *one year*, applicable to themselves or to the souls in Purgatory. (*Raccolta.*)

(*Raccolta.*)

In the several houses of our Institute, the following prayer will be recited, every evening, for the eternal and temporal welfare of our subscribers :

"Eternal Father, I offer Thee the Most Precious Blood of Jesus Christ, Thy beloved Son, and my divine Redeemer, for all those who love this great treasure, who unite for Its honor and adoration, and who labor to propagate the Devotion to It."
