TO EVERY SUBSCRIBER!

Our Premium Engraving to every subscriber for 1881 is a chaste piece of art, entitled "God's Word," size 24 x 30, from a painting by H. Largent Roberts, R.A., and engraved by Arthur Willmore. In this picture is illustrated the Parable of the Sower, and the distinguished artist's conception is so admirably carried out by the engraver that we feel much pleasure, as well as no little pride, in presenting it to our pre-paying subscribers, every one of whom is entitled to this valuable engraving.

ANOTHER OFFER!

Should any subscriber prefer our great offer for 1881, viz: the "Death of Nelson" and the "Meeting of Wellington and Blucher after the Battle of Waterloo," both of these historical pictures will be forwarded to all who express a preference for this magnificent Premium. Bear in mind these pictures are 18 by 40 inches each, and cannot be got elsewhere at less than \$10 the pair.

The following unsolicited opinion of this Premium speaks for itself:—"Having received the Premium Engravings, and examined them, permit me to express my opinion thereon. They are all they were promised to be—and more. Hence they are far above Premium Pictures in general; and worth more than the subscription which calls them forth."—*Rev. John Burton, Toronto.*

It is confidently expected that the Engraving—"God's Word"—offered for 1881, will even more fully commend itself to our patrons, and that thousands of copies will be called for. Sure we are that wherever it is found, whether in the drawing-room of the wealthy or the modest parlour of the farmer or artisan, it will be looked upon as "a thing of beauty," if not "a joy forever."
