A VOICE FROM THE CLERGY FOR PUTTNER'S EMULSION.

Pugwash, N. S., Feb. 10, 1882.

DEAR SIR,—I take this opportunity of congratulating you upon the widespread reputation your justly-esteemed Emulsion of Cod Liver Oil has earned for itself throughout this extensive country. As a remedy of general utility in the household, it is inestimable, and in cases of over-taxation of mental or physical labor, to which the clergy are exposed in the ordinary performance of their parochial work, no one can have an idea of its efficacy before giving it a trial.

Suffering from extreme debility for a length of time, after trying a number of other remedies, I was induced, through persuasion of my clerical brethren, to try one bottle of your Emulsion. Its controlling power was so surprising that I continued its use as prescribed for a few weeks, and am now enabled to undertake and go through as long journeys with almost as little inconvenience as I experienced when I entered upon ministerial duty, thirty-five years ago. Being thus fully convinced that sufferers from exhaustion, brain weakness, or rheumatic attacks will gain speedy relief from the use of your Cod Liver Oil Compound, I feel it a duty to make known to such its remediable effect upon the system.

I am, dear Sir, yours respy.

R. F. BRINK.

TO FARMERS.

LOBSTER GUANO.

This concentrated, powerful and valuable fertilizer is now shipped, unscreened, at \$25, and fine screened, \$30 per ton of 2000 lbs, ex barrels or bags f. o. b. from wharf at Cape Canso. Orders for next season are booked from this date at Halifax, No. 67 Hollis Street. One ton of this Guano spread broadcast on a field with a sowing drill or otherwise, is equal in effect to fifty tons of common lobster waste as now used, but has no pernicious emanation nor unpleasant odor. It being a fine, dry and soluble powder, its action and assimilation are immediate. For further particulars apply to above address or P. O. Box 33.
