DOMINION HEALTH BUREAU.

Dr. E. P. Lachapelle, Secretary of the Board of Health of the Province of Quebec, moved the following resolution, seconded by Dr. J. R. Jones, Winnipeg, which was carried unanimously :—

*"Whereas* Public Health, with all that is comprised in the term Sanitary Science, has acquired great prominence in all civilized countries, and

*Whereas* enormously practical results have been secured to the community at large, by the creation of health departments under governmental supervision and control, and

*Whereas* greater authority and usefulness are given to health regulations and suggestions when they emanate from an acknowledged Government Department;

*Therefore, be it resolved*, that in the opinion of the Canadian Medical Association, now in session, the time is opportune for the Dominion Government to earnestly consider the expediency of creating a separate department of public health, under one of the
