evidence of his death.

From latest reports received in Chicago by

Is the recent case of Temple, (late Hope &  
Temple), stock broker, vs. Toronto Stock Ex-  
change, wherein he claimed \$20,000 damages  
to his reputation in being suspended from  
'Change, the jury brought in a verdict for plain-

The Boston wool market last week was very  
quiet, although the sales aggregated about  
130,000 lbs. more than those of the week pre-  
vious, amounting to 1,821,390 lbs. The ten-  
dency of prices was downwards, and buyers  
believe they will do better to stock up two  
months hence than now. Wool, however, is  
considered safe property at 25c in Michigan  
and 28c in Ohio.
