Water Works Office, Toronto, May 7th, 1886.

SIR,—I have great pleasure in testifying to the value of the "Paul E. Wirt Fountain Pen." In the business of this department time is a very important factor in carrying on the work of the office. Such aids are invaluable, and after using more than five different varieties of self-feeding pens, I am fully satisfied to say that this particular pen is the one easiest used, less liable to trouble, and one that any boy could use without difficulty. I have secured five for this department, and when we regret it we will let you know.

Yours truly, **GEO. B. MORRISS, Sec'y.**
