From the HON. THOMAS B. FLORENCE. From the HON. THOMAS B. FLORENCE. Rrom the HON. THOMAS B. FLORENCE.

Washington, Jan. 1st, 1864. Gentlemen-Having stated it verbaily to you, I have no hesitation in writing the fact, that I experienced marked benefit from your Hoofland German Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be. —Truly your friend,
THOMAS B. FLORENCE.

From the Rev Thos. Winter, D D, Pastor of Roxborongh Baptist Church.

Dr. Jackson-Dear Sir: I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system to try a hottle of you man Bitters, I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects .-Respectfully yours, T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Rutztown, Berks Connty, Pa.

Dr. C. Jackson - Respected Sir : I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very fluch improved in health, after having taken five bottles .- Yours, with respect,

J. S. HERMAN.

From Julius Lee, Esq, firm of Lee & Walker, the most extensive Music Publishers in the United States, No. 722 Chesnut street, Philadelphia:

February 8th, 1864. Messrs, Jones & Evans—Gentlemen—My mother-in-law has been so greatly benefitted by your Hoof-land's German Bitters that I concluded to try it myself. I find it to be an invaluable tonic, and untesitatingly recommend it to all who are suffering from dyspensia. I have had that disease in its most obstinate form-flatulency-for many years, and your Bitters has given me ease when everything else had failed .- Yours truly,

JULIUS LEE.

From the Hon. JACOB BROOM:

Philadelphia, Oct. 7th, 1863. Gentlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in my family, I have no hesitation in saying that it has been highly beneficial. In one instance, a case of dyspepsis of thirteen years' standing, and which had become very distressing, the use of one from the skin rough- battle gave decided relief, the seconding effecting a cure, and the third, it seems, has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it, I find it to be an unequalled tonic, and sincerely recommend its

use to the sufferers.—Truly yours,

JACOB BROOM, 1707 Spruce Street.

"THE LAMP,"

New and Improved Series, in Monthly parts, price 9d. Yearly, \$1,75. The Lamp in 1865.

It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing, that you and all your works may prosper.' We have also had the assurance of the satisfaction of his Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his pen which are to be found in our columns. We are authorized to say that "His Eminence has been much pleased with the progress of the Lamp, and the position it has taken.

Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfruitful, and the approval of his Eminence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp; much remains to be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-got up Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to to see a Catholic Magazine equal to a Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realised. If every priest would speak of the undertaking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor-pulications which can hardly be called Protestant, because they have no religion, and often openly teach immorality-the success of the Untholic Magazine would be assured. It is their immense circulation, and the support they obtain from their respective political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty and cordial support to their own periocals in a similar manner, it is impossible for them to attain supe-

The LAMP has now the largest Circulation of any Catholic Periodical in the English language. It contains this week a New Story of great interest, and other articles of sterling merit, with illustrations

by the first Artists of the day.

BOARDING SCHOOL FOR YOUNG LADIES, HELD BY

THE GREY SISTERS, CONVENT OF OTTAWA

UNDER THE PATRONAGE OF HIS LORDSHIP THE RT. REV. DR. GUIGUES.

THIS Institution, established some Twenty years ago, is well calculated by its position between Upper and Lower Canada, to afford the greatest facilities to French and English Young Ladies, for acquiring a complete knowledge of the French and Englith lan-

Nothing has been neglected that could contribute to attain this double end; and the ample and nonorable testimony constantly rendered, proves the effort to have been successful. Among many means employed to develope the incellect and cultivate a literary taste, are a well re-

gulated Post Office and a Weekly Newspaper, edited exclusively by the young Ladies.
In the Commercial course a practical emulation is excited by a Bank and Commercial Rooms, in which

business is transacted in both languages. It is a particular point of the rule that some of the recreations of the day are, each alternate week, strictly French, or entirely English, for those who

are capable of speaking both languages.

Those who study Music will find everything the could secure them rapid and brilliant success; for this, it suffices to say that no fewer than Six Teachers are devoted to this Department, which embraces the Harp, Piano, Guitar. Melodeou, Organ, &c.
A similar number of Mistresses preside over the

different kinds of Painting in Oil, Pastille, Poonah Painting, and the different kinds of drawings, Embroidery, Wax Work, Artificial Flowers, &c. The Ornamental is not permitted to supersede the useful; for all the pupils are obliged to learn the theory and practice of Domestic Economy.

No distinction of Religion is made in the admission of Pupils. Children of different denominations, though obliged to conform strictly to the order of the House, are not required to assist at the Religious

exercises of the community.

Circulars containing particulars can be obtained by addressing the Lady Superior. The Classes will re-open on the First September. Ottawa, Aug. 10th, 1865.

Special attention will be given to the Sale of REAL ESTATE and CITY PROPERTY, and as this department of the Auction business is becoming more important with the increase and extension of the City, the undersigned offers the most Liberal Terms to parties wishing to bring their property into the market for public competition.

A great hardship has been felt by both buyers and sellers, the former being taxed illegally with one per cent, on the amount of purchase, and the latter by the exorbitant charge for commission and advertising -Now, the undersigned proposes to do away with this grievance as far as his own business is concerned, by undertaking the Sale of Real Property, on conditions which, it is hoped, will meet the views of all parties, namely—

lst-There will be no charge of one per cent to the purchaser.

-When bona fide sales are effected not exceeding £5000, the commission will be £5; and on amounts from £5,000 upwards, only £10, exclusive of the cost of advertising; upon which the regular trade discount of 25 per cent. will be allowed.

When property is bought in, reserved, or withdrawn, no charge will be made, except the actual discursement for advertising.

The undersigned avails himself of this opportunity of returning his sincere thanks to the public for the very liberal patronage bestowed on him during the past four years, and trusts, by prompt attention to business, and strict adherence to the foregoing programme, to meet a continuance of the same.
