SUGAR-COATED PILLS

Purely Vegetable.

The need of a safe and perfectly reliable purgative The need of a safe and perfectly reliable purgative medicine has long been felt by the public, and it is a source of great satisfaction to us that we can, with confidence, recommend our BRISTOL'S EUGAR-COATED PILLS, as combining all the essentials of a safe, thorough and agreeable family cathartic. They are prepared from the very finest quality of medicinal roots herbs and plants the active principal They are prepared from the very nuest quality of medicinal roots, herbs, and plants, the active principles or parts that contain the medicinal value being chemically separated from the inert and useless fibrous portions that contain no virtue whatever. Among those medicinal agents we may name PODOPHYLLIN, which has proved to possess a most wonderful power over the Liver, and all the bilious sceretions. This, in combination with LEPTANDRIN and other highly valuable vegetable extracts and drugs, constitutes a purgative Pill that is greatly superior to any medicine of the kind heretofore offered to the public. BRISTOL'S VEGE-TABLE SUGAR-COATED PILLS will be found a safe and speedy remedy in all such cases as Piles.

In diseases which have their origin in the blood, BRISTOL'S SARSAPARILLA—that best of blood purifiers-should be used with the Pills; the two medicines being prepared expressly to act in harmony together. When this is done faithfully, we have no hesitation in saying that great relief, and in most cases a cure, can be guaranteed when the patient is not already beyond human help.
