IT BEGINS AT HOME—That's right. If you are making money, give part of  
it away, and give generously and nobly. There are enough who need it. Ex-  
tend your charities according to your prosperity, but don't forget one thing—  
"Charity begins at home." Do not forget that the beginning of it is a round  
sum of insurance on your own life for the security and safety of your own  
family, or the comfort and consolation of your own declining years.—*Ex-  
change.*

Of a hundred qualifications that go to make up a good business man, the  
resolution to get his life insured for a good, solid sum—and then to keep it in-  
sured—may count for fifty.—*Daily Stockholder.*

The weekly Underwriter of Philadelphia says of the **ÆTNA**: "It is strong,  
solid, and under most efficient management. The public ought to appreciate  
the value of a life insurance in such an institution, and it does."
