Completely Paralyzed!

Physicians Are Astounded By a Peculiar Case.

A Young Canadian Stricken With Para lysis While in New York-Returned to His Home at London, Ont., as He Believed, to Die-The Means of Renewed Health Pointed Out by a Clergyman Who Visited Him.

Stricken with Landry's Paralysis and yet cured.

That means but little to the average layman, but it means a miracle to a physician. Such is the experience of O. E. Dallimore, at present a resident of Madison, N. J., and a rare experience

"Yes, it's true that I had Landry's paralysis," said Mr. Dallimore to the reporter, "or else the most celebrated physicians of London were mistaken. That I have been cured is clearly apparent." With this he straightened up as sturdy and promising a son of Britain as ever trod American soil.

"It was on the 15th of March last," he continued, "when I was in New York city, that I first felt symptoms of my trouble. I experienced difficulty in going up stairs, my legs failing to support me. I consulted a physician, who informed me that I had every symptom of locomotor ataxia, but as the case developed he pronounced it a case of Landru's naralysis, and knowing the nature \$3.75 on cars here. dry's paralysis, and knowing the nature of the disease, advised me to start for my home and friends. I gave up my work, and on April 1st started for London, Ont. A well known physician was consulted, but I grew rapidly worse, and on Saturday, April 7th, several physicians held a consultation on my ca informed me that I was at death's door having but three to six days to live still I lingered on, by this time comstill I lingered on, by this time com-pletely paralyzed, my hands and feet being dead. I could hardly whisper my wants, and could only swallow liquids. Oh, the misery of those moments are beyond all description, and death would really have been a welcome visitor.

"Now comes the part that has astounded the physicians. Rev. Mr. Grundy, a clergyman who visited me in my last hours, as he supposed, told me of the marvellous cures of paralysis that had been performed by Dr. Williams' Pink Pills for Pale People. I started to take the pills about April 28, and a week after that felt an improvement in my condition. There was a warm, tingling sensa-tion in the limbs that had been entirely dead, and I soon began to move on my feet and hands. The improvement continued until May 28, when I was taken out of bed for a drive and drove the horse myself. By the beginning of July

I was able to walk upstairs alone, and paid a visit to Niagara.

"Slowly but surely I gained my old health and strength, leaving London for New York on October 11, and beginning my work again on October 26, 1894. Cured of Landry's Paralleis is side. Cured of Landry's Paralysis in eight

To confirm his story beyond all doubt, Mr. Dallimore made the following affi-

Dr. Morse's Indian Root Pills. THE BEST FAMILY PILL IN USE Keep the Works in good order.

NORMAN, Ont., January 15, 1890.

W. H. COMSTOCK, Brockville, Ont.

DEAR SIR,—Your 'Dr. Morse's Indian Root Pills' are the best regulator for the system that humanity can use. Life is as the time-piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheelin the works, and what is the result ?—at first, only a slight difference is perceptible in its time-keeping, but wait you; afthe obstruction grows, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much ca e in thoroughly cleansing the entire works. So it is in human life—a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning, have been cured with little tro ble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve v.gor and vital'ity.

Your faithfully,

The Travellers' Safe-Guard.

DEAR SIR,—For many years, I have been a firm believer in your "Dr. Morse's Indian Root Hills.

Not with a blind faith, but a confidence wrought by an actual personal experience of their value and merit. My business is such that I spend much of my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Pills.
