1991 Total	268		4,300
TOTAL	1,239		8,772
1991 TOTAL	1,876		11,966

¹ The number of submarines carrying the launchers is in parentheses.

² Bombers carry a mix of weapon systems. The B-1B does not carry air-launched cruise missiles (ALCMs) or Advanced Cruise Missiles (ACM). All B-52G bombers will be retired within two years.
