

Department of Foreign Affairs
and International Trade

Ministère des Affaires étrangères
et du Commerce International

Note No. JLAB-0155

The Department of Foreign Affairs and International Trade presents its compliments to the Embassy of the United States and has the honour to acknowledge receipt of the Embassy's note No. 305, dated July 31, 1997 outlining the proposal concerning an experiment of the Microgravity Isolation Mount to take place during the upcoming Space Shuttle Mission (STS 85).

The Department of Foreign Affairs and International Trade has the honour to inform the Embassy that the proposal contained in its Note is acceptable to the Government of Canada, and further, to confirm that the Embassy's Note, and this reply, done in English and French, each version being equally authentic, shall constitute an Agreement between our two Governments on this matter which shall enter into force on this date.

The Department of Foreign Affairs and International Trade avails itself on the opportunity to renew to the Embassy of the United States the assurances of its highest consideration.
