NEWS OF WESTERN ONTARIO GALT'S GREATEST HORSE SHOW BROUGHT TO BRILLIANT CLOSE

Presence of Sir John Gibson and Party Was Crowning Social Event, and Despite Chilly Air Attendance Exceeded Six Thousand—Awards Made in Long List of Contests.

GALT, June 7. (Special).—The Galt Horse Show closed at 6 o'clock in a cool atmosphere, but with both exhibitors and public full of appreciation of the wholly successful efforts of the association to put up the best outdoor equine exhibit offered in Canada. That it really was all that is subscribed to by the judges and others who have seen the rounds of the big shows. After a heavy downpour the weather cleared, but the temperature fell until a great coat became a necessity more than a luxury. The crowd numbering over six thousand, was a record breaking attendance. Prominent society people were present from the various cities east and west. His Honor Sir John Gibson, lieutenant-governor, Miss Gibson and party were received with honors, the crowd cheering and the band striking up the National Anthem, following it with "O Canada." Sir John left the arena stand and came over to the judges' quarters to mingle with the boys in the most democratic manner.

Sir Henry Annoyed.
The day passed off without anything to mar the enjoyment. Little things, however, cropped up which the great public had only an inkling of. One such today was when the Dominion Transport Company took umbrage at a subsequent contest. Another was when Sir Henry Pellatt, a newcomer, and justly proud of his famous horses, Lord Kitchener, became huffed at the official estimate of his entry and told the gentlemen what he thought about them and their knowledge of thoroughbred horse flesh.

The promised broncho-busting, featured for this afternoon, proved a failure. Calgary rode came on with young unbroken colt, only to discover that the broncho was tractable and wouldn't buck. As compensation a crowd was handed out the old-time yoke of oxen, which viewed beside a smart auto outfit, seemed to show a trifle in gratification was felt at the success of Miss Vau of Montreal. Mr. Yeager of Simcoe, who acted as manager for the Montreal, was quite satisfied with the Galt venture and good money yields. The Ottawa exhibitors, Messrs. Bates and Jones, also created a highly favorable impression and will be welcomed back another year.
