

Ulceration, contd.

- of rectum	473
- bearing-down pain in ..	473
- due to dysentery ..	635
- gummatus	635
- hemorrhage in	93
- often imperceptible ..	635
- seralgia from	510
- speculum in diagnosis of ..	635
- sarcoid emphysema from ..	231
- traumatic	635
- tuberculous	635
- due to ulcerative colitis ..	635
- venereal, hemorrhage in ..	93
- rodent (see Rodent Ulcer)	
- of scrotum in tuberculous ..	680
- tests	679, 765
- due to epithelioma ..	680, 681, 766
- syphilitic	680, 681, 766
- rounded with sharp edges ..	
- and yellowish base in ..	
- gummata	681
- tuberculous	518, 680, 766, 767
- squam nasi, epistaxis from ..	251
- of skin, over chondromata ..	755
- in epithelioma	804
- erythema induratum scrofulosorum	150
- glands	603
- granular scrofulous, in ..	
- scrofuloderma	603
- from herpes	830
- iodides in diagnosing ..	
- syphilitic	449
- in Jacquet's erythema ..	446
- leprosy	75, 450, 654
- lichen scrofulosorum associated with	529
- in lupus vulgaris	118
- originating in papules ..	528
- pain from	176
- rupia	653
- sarcoma starting in ..	803
- syphilitic endarteritis ..	338
- scarring in	811
- iodides in diagnosis of ..	449
- trophic, in paralytic talipes ..	139
- tuberculous	449, 450
- in xeroderma pigmentosum	801
- yaws	449
- stomach (see Gastric Ulcer)	
- superficial in small flat ..	
- pustular syphilide	601
- of tertiary syphilis, diagnosis of lupus from ..	449
- throat (see Sore Throat)	
ULCERATION OF TONGUE ..	812
- in dyspepsia	814
- dysphagia due to	225
- microscope in diagnosis of ..	811
- simple, with stomatitis ..	812
- in syphilis	257, 812, 813
- tuberculous, age incidence of	814
- rare	814
- simulating epithelioma ..	811
- gumma	814
- in whooping-cough	814
- tonsil in Vincent's angina ..	670, 672
- phlegmonous sore throat from	670
- streptomycosis	672
- syphilitic, sore throat from ..	670
- tuberculous	672
- of trachea, hamoptysis in ..	318
- from malignant thyroid ..	792
- tuberculous (Fig. 209) ..	811
- of bladder, frequency of ..	
- metastases in	581
- bowel, acute peritonitis from	50
- abdominal pain and tenderness with	90

Ulceration, tuberculous, contd.

- of bowel, albumosuria in ..	29
- bleeding per anum in ..	90
- larynx, cyanosis from ..	185
- nose, epistaxis in	250
- from tuberculous cervical glands	420
- of urethra, causing epididymo-orchitis	517
- from gummata	209
- vagina, discharge from ..	210
- vocal cords, diagnosis of ..	
- laryngeal paralysis from ..	537
- vulva due to epithelioma ..	769
- due to syphilis	769
Ulcerative colitis (see Colitis, Ulcerative)	
- endocarditis (see Fungating Endocarditis)	
- various, affections of larynx ..	185, 466
Ulcus serpens	806, 807
Ulnar, affection in yaws ..	449
Ulnar, deflection of hand in ..	
- rheumatoid arthritis ..	380
- limited significance of in ..	
- diagnosis	585
- in osteo-arthritis (Fig. 108, p. 573)	385
- nerve, effects of division of ..	661
- insensitiveness of in talipes dorsalis	665
- muscles supplied by	550
- skin distribution of	659
- spinal roots derived from ..	550
- tenderness over, in brachial neuralgia	491
- paralysis (see Paralysis, Ulnar)	
Umbilical cord infection, blood ..	90
- per anum in	227
- short, dystocia due to ..	
- region, bulging of, by ..	
- enlarged spleen	688
- definition of	722
- duodenal carcinoma felt in ..	723
- organs normally contained in	722
- urachal tumours in	728
- various tumours felt in ..	727, 728
- veins, dilatation in cirrhosis of liver	409
Umbilication of growth in ..	
- liver	279, 368, 412
- papules in lichen planus ..	530
- pustules in syphilis	604
- in small-pox eruptions ..	655, 829
UMBILICUS, PAIN ROUND ..	832
- affected by scabies	716
- tuberculous peritonitis ..	715
- bloody sweat of	715
- eczema intertrigo at	521, 716
- flattened out from ascites ..	472
- secondary growths at ..	351, 524, 716, 718
- hemorrhage from, in congenital obliteration of bile-ducts	365
- hernia of (see Hernia, Umbilical)	
- inflammation of, in new-born ..	715
- from subphrenic abscess ..	716
- intertrigo of	716
- lymphatic drainage of ..	738
- pain at onset of intestinal colic at	473
- protrusion of, by ascites ..	56
- redness of, in tuberculous peritonitis	50, 57, 472
- sebaceous cyst of	524
- diagnosis from small ..	
- irreducible hernia	524
- stretching of by ascites ..	50

Uncinate gyrus, centre for smell ..	669
- lesion of, anosmia from ..	669
- olfactory aura in tumour of ..	89
- tumour of, loss of taste due to	774
Unconsciousness (see Coma)	
Unequal pulses (see Pulses, Unequal)	
- pupils (see Pupils, Abnormalities of)	
Urachal cysts	730, 761
- pelvic swelling due to ..	757
- simulated by distended bladder	730
- ovarian cyst	730
- tuberculous peritonitis ..	730
Urachus, infiltration by new growth	57, 718
- normal condition of ..	720
- situation of	722
- tumour of, in umbilical region ..	728
- tumours of	728
Uræmia , absence of albuminuria in	359
- acetoneuria in	4
- albuminuria in 329, 350, 461, 647 ..	
- albuminuric retinitis in ..	350
- amaurosis in	836, 839
- amblyopia in	836
- appetite lost in	350
- Babinski's sign in	82
- bromidrosis with	714
- casts in urine with	329, 464
- characteristic odour of breath in	350
- Cheyne-Stokes respiration in ..	124
- in chronic nephritis	11
- coma in	82, 136, 137, 464
- contracted pupils in	195
- convulsions in 11, 45, 48, 464, 617 ..	
- delirium in	195
- diagnosis of indigestion from ..	350
- drowsiness in	329
- dyspnoea in	329
- epileptiform convulsions in ..	160, 169, 172, 647
- frontal headache in 326, 328, 329 ..	
- hematuria in	329
- severe hemorrhage simulating	110
- high arterial tension in ..	350
- hyperpyrexia in	344
- grave significance of ..	622
- hypothermia in	345
- increase of urea in cerebrospinal fluid in	339
- latent	45
- opisthotonos in	463, 464
- pyelonephritis	625
- reaction of pupils in	839
- retinal changes in	229, 836
- shortness of breath in	100
- simulating a rigor	647
- symptoms of	48
- tremor in	799
- trismus simulated by	801
- uridrosis in	715
- visual defects in	329
- vomiting in	329, 350, 813
Uræmic asthma, mistaken for spasmodic asthma	582
Urate fallacy in albumin test ..	6
- of sodium (see Sodium Urate)	
- in gout	383
Urates , amorphous	815
- cleared by warming	623
- microscopical appearances of ..	815
- normally white	815
- simulated by mucus	815
- phosphates	623, 815
- pus	815
- tests for	815
- thorn-apple and hedgehog crystals of	815
