

“ It follows from what I have said that professors of the
“ succursale at Montreal are not entitled to be styled profes-
“ sors of the University-Laval.

“ I think that professors of the succursale are not intitled
“ as such to take part in the Council of the University-Laval.

“ For the reasons given I think faculties established by the
“ University Laval at Montreal or elsewhere than at Quebec
“ cannot form part of the University Laval.

“ As I have already stated the University cannot in my
“ opinion establish itself in different places or have branches
“ there. And I see nothing in the articles of the Code referred
“ to to modify my opinion.

“ I am disposed to think that the University Laval when
“ exceeding the powers conferred upon it by its Charter
“ would fall within the scope of article 997 of the Code of
“ Civil procedure of Lower Canada.

“ The University Laval having derived its existence from
“ Royal Charter, I think that the Pope can neither derogate
“ from the rights conferred by the Charter, nor confer, so as
“ to give them legal effect, any powers beyond those created
“ by it. I ought to add that the Pope does not seem to have
“ intended either to derogate from or extend the rights pos-
“ sessed under the Charter, but merely to have given direc-
“ tions *under a misapprehension as to what those rights really
“ were.....*

“ I may add to the above that I concur generally with the
“ views expressed by Mr. Archambault in his *Etude Légale*
“ on the various questions with which he deals.

“ Je suis d'opinion que l'Université Laval à Québec n'est pas
“ autorisée par la Charte à s'établir ailleurs qu'à Québec, ni à
“ établir des facultés de Théologie, de Loi, de Médecine et des
“ Arts qui existent en même temps à Québec et à Montréal ;
“ que sa Charte, en vertu de laquelle elle est incorporée en
“ fait une Université locale, à Québec, et que cette Université
“ outre-passe les pouvoirs et les priviléges qui lui sont accor-
“ dés par cette même Charte lorsqu'elle s'établit ailleurs.
“ Différentes considérations appellent cette conclusion, entre
“ autres, je puis mentionner son titre même qui est stricte-
“ ment local, le visiteur qui est l'Archevêque de Québec, le
“ Recteur qui est le Supérieur du Séminaire de Québec, le
“ Conseil Universitaire formé principalement des directeurs
“ de cette institution.
