Gagnon, who is playing with Kennedy's boys, stood a lot from his old team mates, but in the third quarter he lost his temper and when Dussault charged him, he promptly cut him down, and Dussault went to the club house for repairs, not reappearing until well on in the last period. Gagnon stood a \$25 fine and was ruled off. Cattaranich, Neville and Clement were fined for minor infringements of the rules, and many others got away

with some pretty nasty work. The Irish-Canadian home showed no snap at all and played listlessly for a great part of the game. The defence fought harder, but with the defence fielders and Kane at centre refusing to spend much energy in checking back, Neville and Gagnon were no match for the opposing home.

Torontos downed the Indians at the Island Oval on Saturday by 9-4, before 3000 people. The victors played the niftiest kind of lacrosse.
