

**We make no idle boast when we state that the CABLE CIGAR—So—is equal to most of the 100 brands of cigars now upon the market. We wish particularly to impress upon the public the fact that this cigar is not made in competition with the great majority of 50 cigars. It stands alone as the greatest cigar for the money ever produced in Canada.**

**MONTREAL AT WINDY WINDS**  
**AMATEUR BOXING TOURNAMENT.**  
 Well-known Toronto Trainers Who Have Candidates at Work.  
 Now that the hockey season is over, everything will soon be ready, as far as the city boxing championships, which are held for Thursday, Good Friday and Saturday, March 27, 28 and 29. All recognized amateurs are eligible.

There are seven classes, as follows: Special 105 lbs., bantam, 115 lbs., feather, 125 lbs., light, 135 lbs., middle, 145 lbs., middle, 155 lbs., and heavy, all over that weight. Entries will close with Dr. Cherry, secretary of committee, at 25 West Street, on Saturday, March 22. The entrance fee is \$2, which will be returned on the boxes appearing as drawn. Entries from Hamilton, Ottawa, Montreal and other outside centres are expected. Three prizes will be given in each class—gold medal, first; silver medal, second; and boxing gloves for third.

Several local boxers, who heard of the tournament a few weeks ago, are already well up to form, but there is not nearly so much excitement as there was some time ago. The Toronto Amateur Boxing Club and the Montreal and National Amateur Boxing Clubs have members entered. Paddy Holman, the welterweight, who lost a hair decision to Nolan of Montreal last spring, says that he has three more prizes this year. He will be satisfied with nothing less than the gold medals. He is already in good condition.

**Colder Weather Promised for First Stanley Cup Game To-Morrow With Victorias.**  
**EASTERNERS TALK WITH CONFIDENCE**  
**O.H.A. Committee Disallows Stratford's Protest Against U.C.C.—A Final Game.**  
 Winnipeg, March 11.—(Special)—The Montreal hockey team, the challengers of the Stanley Cup, who will compete with the Victorias, the present champions, at the Auditorium rink on Thursday night, in the first game of the series for the Stanley Cup, arrived in the city this morning, feeling comparatively fresh after their long journey.

The party included the team, two spare men, but Elliott, the third man, was placed in the hospital, and will not arrive here until Friday, and will not be on the ice for the game on the evening of the same date.

"Whether we win or not remains to be seen," remarked Bellingham, the team's secretary, trainer and president, "but we can give the Victorias a hard game. They are a heavy team and are capable of doing a great deal. This we learned from past experience."

"Are you in good form?"

"They are in excellent form at the present time," replied Bellingham, "and we are in good condition, and expecting a hard game."

The referee question has been settled satisfactorily to the Montreal boys' satisfaction. It was reported Mr. Bellingham, "very satisfactory. McFarland is acceptable to us. I can give you the names of the committee. I have never met him, and consequently do not know him personally, but I know that myself, as well as the other members of the team, advised the true sportsmanlike spirit shown by the Victorias during the discussion and arranging for a referee. It was a fair fight, and the making of a draw between McFarland and Quinlan of the Montreal boys."

Speaking of the Montreal boys, Mr. Bellingham said that they are the youngest and slickest hockey team on the ice today, taking them on the general average. He said that he thought there was a possibility of their being the best Eastern team for the Stanley Cup, but he has not always been with them.

"How do they compare with the Wellingtons?"

"San Francisco do not think the Wellingtons would be in it with them. It is difficult to compare them, but I think they are better. The boys are in good trim," he added. "They were trained close when we were in the city, and they are doing their best."

Prospects are more favorable for good ice on the ice today.
