BY BUYING YOUR TIRES AND TUBES AT THIS GREAT TIRE SALE

We are offering the greatest bargains on new standard guaranteed Tires or Tubes. Our prices are less than second-grade Tires can be purchased for, and are 20 per cent less than prevailing wholesale dealers' prices. Our reason—We had more than 900 Tires purchased last fall before the advance in prices, for delivery during March, April, May and June, but due to the labor situation, which all Tire manufacturers have been up against, the shipments have been delayed and the Tires have reached us much later than expected. There are absolutely no seconds in our stock.
