SHOP MEETINGS TO PRESENT PLATFORM TO CITY'S WORKERS

The Somerville Organization Reaches Out to Touch Workingman.

The organization which has rallied to the support of C. R. Somerville, mayoralty candidate, has provided speakers for shop meetings all over the city. The organization is working hard to present the true facts of the case to the ratepayers, and the shop meetings are intended to reach the workingmen, the class which is most vitally interested in civic government and the consequent lowering of the present overburdening tax rate.

Meetings were held Tuesday at the Murray shoe factory, Grand Trunk car shop, Empire Brass Company and the central firehall. The speakers included the candidate, Mr. Somerville; Dr. E. B. Braithwaite, president of Western University; Dr. Norman Beal, E. V. Hession, John Cottam and others.

PRESENT REGIME HAS PENALIZED PROPERTY OWNERS

Mismanagement Has Raised Taxes to Breaking Point.

WORKERS SEE CONDITION

No Inducement for London Workingmen to Own Homes Any Longer.

Two good Somerville meetings were held on Friday afternoon at the Empire Brass factory and at the street railway barns. At both meetings the reception accorded the speakers supporting the candidature of C. R. Somerville was exceptionally good, and additional points were made from the polls from the employees of both the Empire Brass and the street railway.

The Empire meeting was held at 4:15; the plant being closed down to allow the speakers, Messrs. John Cottam and E. V. Hession, to speak to the workers from all departments. The street railwaymen were addressed from 6 o'clock to 6. Other shifts will be addressed this morning.

One of the outstanding statements of the speakers, and one which went home, was the declaration that under present conditions in London, with an ever-increasing tax rate, the property-owner is penalized for living in his own home. The speakers drew attention to the fact that in contrast to a few years ago, when the tax was lower, the inducement for the worker to earn his own home, taxes have so increased that the home-owner was worse off than renter. This fact was directly attributable to the poor judgment exercised by those entrusted with the management of London's affairs. The keenest business mind was needed to change conditions to those which would not penalize a man for owning his own home.

LARGE SURPLUSES SHOWN BY HYDRO AND WATERWORKS

After Paying All Expenses, Water Department Has \$80,017.

The statement of the waterworks department of the utilities commission has been issued, and is highly satisfactory. The surplus for the year being \$80,017, after \$10,473 had been expended on capital account for main extensions. The surplus, after the operating expenses had been paid, would be \$80,017.

Out of the surplus, the commissioners paid out \$5,643.50 for the purchase of the Hunt Bros. mill property. It will be remembered that this firm had offered to remove to Windsor, but remained in London on condition that their property be purchased. The waterworks department did purchase it, paying the cost out of revenue.

In addition the sum of \$4,500 was paid to the electrical department for undercharges for power in 1915 and 1916. It seems that the hydro-electric commission in adjusting the charges found that a sufficient amount for the power used during these years, and this charge had to be levied on the ratepayers. The net surplus \$60,573.68. The debenture charges this year amount to \$5,224.10, leaving a cash on hand of the amount of \$53,350.58, which will be applied to the reduction of taxes. This is more than twice the amount levied by the commission to the city for this purpose.

The statement is one of the most encouraging yet published and is highly satisfactory to the chairman, Philip Brock and the commissioners, and the general manager, E. V. Buchanan. Both the electrical and the waterworks departments had exceptionally good years.

Large surpluses are shown in each.

Christmas Dinner. A jolly event took place at the machinery building at Queen's Park on Friday evening, when the members of No. 1 Special Service Company enjoyed their annual Christmas dinner. Turkey and plum pudding were the favorites during the evening, and everybody did full justice to the delicacies provided. Capt. Col. Douglas and the other officers of the company were on the job in making the affair the big success that it was.
