BRANDON five years ago had only half the population that it has to-day. It is the converging point and operating centre of 1000 miles of railroad. The influence of its colleges and educational institutions has spread throughout the west. The student population is estimated to-day at 2000.

There are 1200 students in its business colleges alone. BRANDON is a beautiful city, a city of splendid homes, with every modern convenience. It is the monetary centre of a vast agricultural area. There are ten chartered banks in Brandon.

We offer to-day for sixty dollars, splendid building lots right inside the city limits of BRANDON. The section is known as KENSINGTON PARK. Building operations are proceeding right up to the edge of KENSINGTON PARK. Your property will be next in demand. This is a chance to make

We will deal with applications in the order they are received. This is a great opportunity, recommended by a reputable real estate firm, whose reputation is held above any other business consideration.
