The money is said to have been put in his keeping by the manager of a theatrical troupe staying at the hotel. Next morning Paulding had gone.

DAYSLAND, Alta., Dec. 2.—(Special.)—Charles Sanderlin, a homesteader near here, has been committed for trial on a charge of attempted murder. He turned his wife out of doors very scantily clad, and his brother then wrapped a fur coat about the woman and took her to his own shack.

Want Crossing on St. Clair.

Representing the G.T.R., C.E.D. Cousins applied to the town council to-night for permission to lay a crossing on St. Clair-avenue. He produced plans indicating that there are already two crossings of the G.T.R. and one of the C.P.R. at the point in question. The town solicitor pointed out that the town was already in agreement with the railway to bear part of the expense of maintaining these crossings, and he refused to advise that the application be considered unless the company expressed their willingness to bear the expense of the proposed crossing. Mr. Cousins professed to know nothing of this agreement, and the crossing plans he left in charge of the town clerk until he would be able to enquire into the matter, which will be discussed later. The purpose of the crossing is to relieve the freight traffic at this point. School Board Down.

The outcome of a request from Trustees Wright and Dodds for funds to build a portable school on St. Clair-avenue, was granted, but owing to the condition of the town's finances consideration of the application for the school could not be taken up at present.

A communication from the Ontario Railway Board was read, complaining that blank forms sent by the board, asking for information in regard to different civic departments, were not filled out last year. More forms were sent later with a letter stating that the forms were to be properly filled out and forwarded to the board the lieutenant-governor-in-council would be notified.

The pupils of Annet-street school repeated their concert in St. James' Hall this evening on account of a large number of people who had not heard the concert on Friday evening having been unable to gain admission.

The Brotherhood of St. James' net-street Methodist church held a very successful concert in the church parlors to-night.

EAST TORONTO.

East York Liberals Hold Meeting and Elect Officers.

EAST TORONTO, Dec. 2.—The annual meeting of the East York Liberal Association, held here this afternoon, was not largely attended, but marked by fair enthusiasm. President John F. Ross was in the chair, and these officers were elected: President, J. F. Ross (re-elected); vice-president, Markham Village, R. A. Mason; Richmond Hill, J. Trench; Scarborough, W. Doherty; Stouffville, C. R. Fitch; East Toronto, Frank Abbott; York, C. Fitzpatrick; secretary-treasurer, A. J. Reynolds.

Among those present were Mayor Ross, F. H. Curry, Dr. McLean, A. Sample, ex-M.P.; ex-Mayor Richardson, T. H. Phelan, Frank Abbott, Dr. Sisley, G. W. Ormerod, J. Ormerod, J. C. Clarke and many others prominent in the Liberal interest in East York.

Organizer Inwood declared that East York Liberals were not actuated by the same fighting spirit as of yore, while Mayor Ross counselled a little more "ginger" into the campaign.

J. H. Phelan spoke briefly along the lines of organization, while J. W. Curry expounded largely the same views already enunciated at different points in the riding.

Dr. McLean, the candidate in Centre York, declared his belief in the ability of the Liberals to retain Centre York. An organization meeting followed.

An important meeting of the shareholders and members of the Aberdeen Curling Club will be held in the rink on Wednesday night, 8 o'clock sharp. Important business will be transacted, and a good attendance is desirable.

The Whitevale Bible class has just closed another successful year in its good work. They met at the home of the teacher, James Kayes of Brock-road, and were entertained. It meets every Sunday morning at 10 o'clock.

Municipal affairs for the township are beginning to be revolved in the mind of the council. A talk of a lively election for all the offices at the command of the people. Reeve Todd likely retains the field, while James McFarlane of Claremont is looked upon as his successor. Now that the county council is made up of the reverse and opposite of former interest is felt in the local offices.

MAPLE.

Vaughan Farmer Loses Heavily in Recent Fire.

MAPLE, Dec. 2.—On Friday evening all the outbuildings, together with the main house, were destroyed by fire, the property of Harry Rumble, one and a quarter miles east of Maple. His outbuildings were good, being insured for \$1400 in York Fire Insurance Company. The loss on contents alone amounted to \$5000.

The cause is unknown.

Little four-year-old Nellie, daughter of E. Brown, was badly burned on Saturday morning. Her young brother gave her, while she was in bed, some matches to play with. She ignited one, and the fire spread rapidly, burning her body very severely. She was taken to the Western Hospital, where she is resting well.

Rev. A. Teatler, pastor of the Methodist Church in Alliston, gave an interesting missionary discourse on Sunday evening in the church here.

Messrs. Harper of Victoria Square, Thomas of Oak Ridge, and Joseph C. Newcomb report that The Gore Fire Insurance Company of Galt, thru their agent, J. T. Salgeon of Maple, settled their losses by cheque to their satisfaction.

WESTON.

Conservative Meeting To-Night—Injunction Applied For.

WESTON, Dec. 2.—A public meeting in the interest of Tom G. Wallace, the Conservative candidate in Centre York, will be held in the town hall on Tuesday evening, Dec. 3, at 8 o'clock. Among the speakers will be Hon. Adam Beck, M.L.A.; W. B. Northrup, M.P.; Dr. Forbes Goddard; and Mr. Hillier, the candidate. Ladies are especially invited to attend.

At an impromptu meeting of ratepayers to-night, it was decided to apply at once for an injunction restraining the lease of the electric light plant by the Stark company, as contemplated and arranged for by the town council. The proposed transfer has aroused a great deal of opposition in town.

YORK TOWNSHIP COUNCIL.

Local Option—Fails to Get Enough Signers and is Turned Down.

COUNCIL CHAMBER, Dec. 2.—Today's council meeting of York Township was a record-breaker as far as attendance was concerned. The feature was the discussion of the submission of a local option bylaw at the municipal election, which was decided adversely. Clerk Clarke reported that the petition was 73 names short, that should be 128.

J. Wanless complimented the clerk for the way he handled the petition, and maintained a neutral stand on the question. The statute, he claimed, acted against the local optionists, as they have to get the necessary 25 per cent. of dead people and duplicates as they appear on the list, and consequently the number should not be insufficient. The moral question should have some weight in this contest. If the petition was 73 names short, that should be overlooked.

Rev. T. W. Pickett stated that if the law were changed so that it would be on a technicality and not on its merits, Alex. Gilchrist expressed surprise that the petition should not be sufficiently signed and promised to get fifty men in less than half a day.

James Haverson, K.C., claimed that the 128 names were not honestly obtained. He quoted from the statute, stating that they were practically framed by the temple, but now they abandon the petition and ask the council to submit the bylaw.

Mr. Hales argued that in view of the

largely-signed petition the council would be justified in submitting the bylaw to the electors.

Mr. Barker, third deputy reeve, stated that in Todmorden a number of names are on the petition, placed there without their consent.

John Watson, first deputy reeve, said that the necessary 25 per cent, was required, and saw no reason why York should be different.

J. Nelson, third deputy reeve, took the same view as did Councillor Jackson.

Reeve Henry considered it an excellent petition.

Mr. Wanless regretted that for the sake of a few signatures council refused to submit the measure.

The local option bylaw will not be submitted at the January elections.

A communication was received from Thomas McQueen, secretary of the Toronto Board of Control, asking for another conference with the town council with relation to the construction of a viaduct connecting Bloor-street with Danforth-avenue. A meeting of the ratepayers of the Chester district will be held to discuss the matter.

J. W. Breakey and G. R. Goulding, assessors, are asking for an increase in salary.

H. B. Cowan, secretary of the Ontario Horticultural Exhibition, got the usual amount of the Chester district.

H. R. Frankland, secretary-treasurer of S.S. No. 27, Don Mills-road, wants an account of school taxes for 1907, and got \$300.

A resolution was passed approving of the C.P.R. crossing between lots 20 and 21, concession 5.

Before the Magistrate.

Chas. and Fred Pollard, 18 and 15 years of age, were charged before Magistrate Ellis yesterday with setting three fires in the fence adjoining the vineyard of George Gilbert, Etobicoke. Charles was fined \$4 and costs.

TECHNICAL SCHOOL UNFIT.

Board of Trade Committee Inspect the Premises.

The technical committee of the board of trade took a tour of inspection thru the technical high school last night. Principal Gibson conducted them thru the building, showing some interest and not little curiosity the sight of a number of students of clay modeling and freehand drawing working away in the school. The principal explained the tank. This has been converted into a studio by placing a floor over the cement and putting in a stairway. They also saw the classes in practical chemistry, working in rooms which once formed the gymnasium of the old institution, and expressed their wonder at the work carried on in a building so unsuitable. The visitors had a practical demonstration of the efficiency of the cooking classes, in the shape of a tasty supper prepared in the department of domestic science.

The principal gathered together the heads of the departments, and had each of them give a description of the work being done. The principal explained that there are at present about six hundred students registered in the day classes, and double that number in the evening classes. The inadequacy of the building was clearly demonstrated.

A. A. Allan, as chairman of the technical committee of the board of trade, in connection with the fur business, said that the wholesalers of this city spent at least \$40,000 a year in dyeing and treating furs, and that the dyers lost quite \$5000 a year thru furs being spoiled by improper treatment. This could be remedied by proper technical training.

A deputation from the Bricklayers' Union also had a look over the premises.

ALLEGED RAFFLERS IN COURT.

Clinton Township Case Before Magistrate Riggins.

ST. CATHARINES, Dec. 2.—(Special.)—Reeve Thomas R. Gilmore of Clinton Township, Charles Labrook, Jacob Heckadon and Aaron Grobb, charged with operating a raffle on the night of Nov. 29, came up for hearing before Police Magistrate Riggins and James J. Bratt, J.P., at Beamsville this afternoon.

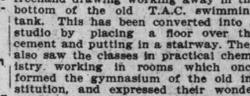

At last Rev. Geo. B. Brown, pastor of Beamsville Baptist Church, learned that a raffle was to be held, and in company with Constable Robinson visited the barn, where the raffle was in progress. Fifteen men and boys were arranged around a box shooting craps for fun.

After hearing evidence Magistrate Riggins committed the prisoners for trial.

ST. CATHARINES.

The Saturday Night Club held its regular annual meeting last night at the home of Mr. Matiland, 701 Shaw-street. The subject of the evening's debate was: "Resolved, that it would be in the interests of Canada if the Conservative party was elected to power at the next general election." L. Benjamin, supported by Mr. McEvoy, took the affirmative, and Mr. Darlington and Mr. Pflumman appeared for the negative.

Eighteen Days --- Plan Something for Every Day

CHRISTMAS, once it really starts, comes in no time. Ever notice? You say—"Dec. 1, my! Christmas will soon be here." Then before you realize it IS here.

The plain lesson is—act, act, act, act NOW. Don't plan and plan and prepare and plan and leave all the real actual work of Christmas till the last few days. Plan to employ EVERY day.

Then you'll enjoy every day, and Christmas shopping will be a pleasure instead of a worry.

Make a list of the presents you are giving and make a list of the eighteen days you have before Christmas day, and to each of these days apportion some of the things you are going to buy until you have them all down on your list.

Then carry out your plan. Don't be put off if you can help it. Every day you will feel that you have accomplished something. Every day Christmas gets nearer and you are more nearly ready for it. Then when other people are worrying and excited you will be enjoying the happy Christmas feeling to the full.
