

many have not a strong constitution, and the great reaper, Death, gathers them in before they have reached the age of manhood.

How many valuable lives might have been spared if a little more precaution had been taken, and when our system required renovating get some good medicine for it? We claim that by the timely use of our Vegetable Discovery a vast amount of suffering may be removed and diseases cured, that if not checked would bring the afflicted to an untimely end. Ample proof of our assertion is to be found by reading the following testimonials, and many others to be found in this book:

A MAN'S LIFE SAVED.

I WOULD not be doing justice to the afflicted if I withheld a statement of my experience with Jaundice, and how I was completely cured by using

NORTHROP & LYMAN'S VEGETABLE DISCOVERY.

No one can tell what I suffered for nine weeks, one-third of which I was confined to my bed, with the best medical skill I could obtain in the city trying to remove my affliction, but without even giving me temporary relief. My body was so sore that it was painful for me to walk. I could not bear my clothes tight around me, my bowels only operated when taking purgative medicines, my appetite was gone, nothing would remain on my stomach and my eyes and body were as yellow as a guinea. When I ventured on the street I was stared at or turned from with a repulsive feeling by the passer-by. The doctors said there was no cure for me. I made up my mind to die, as LIFE HAD LOST ALL ITS CHARMS. One day a friend called to see me and advised me to try Northrop & Lyman's Vegetable Discovery. I thought if the doctors could not cure me, what is the use of trying the Discovery, but after deliberating for a time I concluded to give it a trial, so I procured a bottle and commenced taking it three times a day. JUDGE OF MY SURPRISE, at the expiration of the third day to find my appetite returning. Despair gave place to hope, and I persevered in following the directions and taking hot baths two or three times a week until I had used the fifth bottle. I then had no further need for the medicine that had SAVED MY LIFE—that had restored me to health—as I was radically cured. The natural color had replaced the dingy yellow; I could eat three meals a day, in fact the trouble was to get enough to eat. When I commenced taking the Discovery my weight was only 132½ lbs., when I finished the fifth bottle it was 172½ lbs., or an increase of

about ½ lb per day, and I never felt better in my life. No one can tell how thankful I am for what this wonderful medicine has done for me. It has rooted out of my system every vestige of the worst type of Jaundice, and I don't believe there is a case of Jaundice, Liver Complaint or Dyspepsia that it will not cure.

BEYOND THEIR EXPECTATION.

Mr. J. R. Allen, upholsterer, Toronto, sends us the following: "For six or seven years my wife suffered with Dyspepsia, Costiveness, Inward Piles, and Kidney Complaint. She had a pain in her back so bad that she could not straighten herself for some time after she arose in the morning. Her legs frequently cramped so much that she could scarcely turn over in bed at night. In fact, she was suffering untold agony in both body and mind. We tried two physicians and any number of medicines without getting any relief, until we got a bottle of Northrop & Lyman's Vegetable Discovery. This was the first relief she got and I am happy to state that before one bottle was used the benefit she derived from it was beyond our expectation. We can with confidence recommend it for such complaints as she had, and hereafter we shall always keep a bottle of it on hand as our family medicine."
