Prepare This for a Bad Cough-It's Fine

The finest cough syrup that money can buy—costing only about one-fifth as much as ready-made preparations—can easily be made up at home. The way it takes hold and conquers distressing coughs, threat and chest colds will really make you enthusiastic about it.

Any druggist can supply you with 2½ ounces of Pinex (50 cents worth). Pour this into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Shake thoroughly and it is ready for use. The total cost is about 64 cents and gives you 16 ounces—a family supply—of a most effectual, pleasant tasting remedy. It keeps perfectly.

It's truly astonishing how quickly it cats, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the inflamed or swollen throat membranes, and gradually but surely the annoying throat tickle and dreaded cough will disappear entirely. Nothing better for bronchitis, spasmodic croup, whooping cough or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, combined with guaiacol and is known the world over for its prompt healing effect on the throat membranes.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with a druggist for "2½ ounces

membranes.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded goes with this preparation. The Pinex Co., Toronto, Ont.
